Ideas Ethical Shopping:

Live an Eco-Friendly Life (52 Brilliant Ideas) Natalia Marshall, 2008-03-04 52 ways to get green and clean These days everyone's talking about the plight of the planet from climate change and carbon footprints to diminishing resources and vanishing species Whether you're a committed tree hugger or someone who doesn't know a pesticide from a compost heap you're sure to find a wealth of simple yet meaningful changes that are easy to implement With ideas on everything from recycling to reducing energy consumption *Live an Eco Friendly Life* will help readers save time money and the earth all at the same time

The Handbook of Ethical Purchasing Rob Harrison, 2021-10-12 From boycotts of plastics and palm oil by consumers to the tracking of carbon footprints and modern slavery in their supply chains by businesses buying ethically has now fully captured the public interest *The Handbook of Ethical Purchasing* is designed to help both ordinary people and industry professionals to understand this new movement its political background and most importantly how to become involved more effectively By looking in turn at sustainable supply chain management by companies green public procurement by governments and the ethical choices made by consumers this book operates as a practical handbook for people across all industries and sectors to become involved in the important changes that need to be made It provides the key principles language and techniques that companies campaigners certification schemes and regulators are beginning to use to address the moral practical and political problems that commonly occur in this transition to more ethical economies Written by a leading authority on ethical consumption Rob Harrison the book provides the reader with the tools to operate with confidence and effectiveness in an easy to access format It also provides a useful structure to understand this new subject area for students of marketing supply chain management and business studies generally

Encyclopedia of Consumer Culture Dale Southerton, 2011-09-15 The *Encyclopedia of Consumer Culture* is the first reference work to outline the parameters of consumer culture and provide a critical scholarly resource on consumption and consumerism

Political Virtue and Shopping M. Micheletti, 2003-09-05 Political consumerism is turning the market into a site for politics and ethics It is consumer choice of producers and products on the basis of attitudes and values of personal and family well being as well as ethical or political assessment of business and government practice In the face of economic globalization and a regulatory vacuum consumers increasingly take responsibility in their own hands making the market an important venue for political action through their decisions of what to purchase This book opens the reader's eyes to a new way of viewing everyday consumer choices and the role of the market in our lives illuminating the broader theoretical and historical context of concerns about sweatshops responsible coffee and ethical and free trade Contemporary forms of political consumerism boycotts labelling schemes stewardship certification socially responsible investing etc are described and evaluated Individual actions are shown to be important in the complexity of globalization

Human Rights and Capitalism Janet Dine, A. Fagan, 2006-01-01 Human Rights and Capitalism brings together two important facets of the globalization debate and examines the complex relationship between human rights property rights and capitalist economies Human rights issues have become increasingly important in this debate and their place as harbingers of justice or as an instrument of oppression is fiercely contended Both sides of this issue are considered in the contributions to this book and the complex relationships between human rights human dignity and capitalist economies are the themes running throughout the work Appearing at a time when these issues are a subject of extreme controversy this book is distinguished by its

balanced and academic approach **Styling South Asian Youth Cultures** Lipi Begum, Rohit K. Dasgupta, Reina Lewis, 2018-07-30 For South Asia fashion and consumption have come to play an increasingly important role in the lives of young people and in the formation of youth cultures Afghanistan Bangladesh Bhutan India Maldives Nepal Pakistan and Sri Lanka have all in related and distinctive ways been producing confident young fashion consumers who are proving to be an important market for fashion This book explores South Asian youth cultures and fashion across the countries of this region and their diasporas from a transnational perspective Through visual and textual analysis of film photography and digital cultures as well as ethnographic fieldwork the expert contributors look at how gender sexuality class the media and faith intersect with and style youth cultures By establishing the heterogeneous nature of South Asia and its youth cultures they also dismantle grand western narratives that tend to understand the region s diverse cultural modernity through the lens of homogeneity
