PENNINGTON Moment of truth Eleri worked hard at being levelheaded to make up for one solitary mistake in her teens But there were times when being sensible was difficult Take the situation with James Kincaid Eleri had been in love with James her former boss for ages and now not only was James begging her to return to the job from which she d resigned he made it clear he found her very attractive too Eleri longed to give in to her feelings for James but forced herself to keep her distance She had to because of her secret what if James discovered that Nico the boy he thought of as her younger brother was actually her son PENNINGTON A place where dreams come true **Bargaining with the Boss** Jennifer Shirk,2017-12-16

Kinsley just wanted to have some fun for a change Then she wakes up in a stranger s bed with her bridesmaid dress on backward and a hazy memory of what happened at her friend s wedding With a quick escape she can get back to her predictable life But then she meets her new boss the same guy she d woken up next to and seeing him with a clear head doesn t make him any less attractive Mixing business with pleasure has never been Damon s style and easily avoided but the hotel he just bought comes with an unexpected perk its manager Sensible Kinsley today is as alluring as impulsive Kinsley was the night before and she talks him into a deal If she can turn around the hotel by the end of summer he won t tear it down to put up more profitable condominiums Their plan is simple until falling for each other becomes more than they bargained for **The Supervisor's Big Book of Lists** George Fuller,1994-02-01 Supervisors facing the problem of too much work and too little time should appreciate the 120 detailed lists presented here which present over 1000 tips for

successfully handling every aspect of their job from dealing with people and managing time to improving their communication skills **A Guide to Negotiation and Meditation** Gary Goodpaster,2023-10-16 A Guide to Negotiation and Mediation is written in a progressive building block fashion moving from simple to more complex ideas The first section covers basic negotiating strategies concepts and tactics the next discusses cognitive and psychological aspects of negotiation The book goes on to explore elements that may complicate negotiations in particular coalition formation and bargaining for constituencies and concludes with a chapter on negotiation preparation and planning Published under the Transnational Publishers imprint **Tell the Bosses We're Coming** Shaun Richman,2020-05-22 How labor union organizing can help

leverage today s movements and why workers need unions more than ever before Lengthening hours lessening pay no parental leave scant job security Never have so many workers needed so much support Yet the very labor unions that could garner us protections and help us speak up for ourselves are growing weaker every day In an age of rampant inequality of increasing social protest and strikes and when a majority of workers say they want to be union members why does union density continue to decline Shaun Richman offers some answers in his book Tell the Bosses We re Coming It s time to bring unions back from the edge of institutional annihilation says Richman But that is no simple proposition Richman explains how

important it is that this book is published now because the next few years offer a rare opportunity to undo the great damage wrought on labor by decades of corporate union busting if only union activists raise our ambitions Based on deft historical research and legal analysis as well as his own experience as a union organizing director Richman lays out an action plan for U S workers in the twenty first century by which we can internalize the concept that workers are equal human beings entitled to health care dignity job security and definitely the right to strike Unafraid to take on some of the labor movement s sacred cows this book describes what it would take some changes that are within activists power and some that require meaningful legal reform to put unions in workplaces across America As Shaun Richman says I look forward to working with you
