

BARTÓK
AND HIS WORLD
EDITED BY PETER LAKI

Bartok And His World

Julie A. Brown

Bartok And His World:

Bartók and His World Peter Laki, 2020-10-06 Béla Bartók who died in New York fifty years ago this September is one of the most frequently performed twentieth century composers. He is also the subject of a rapidly growing critical and analytical literature. Bartók was born in Hungary and made his home there for all but his last five years when he resided in the United States. As a result, many aspects of his life and work have been accessible only to readers of Hungarian. The main goal of this volume is to provide English speaking audiences with new insights into the life and reception of this musician, especially in Hungary. Part I begins with an essay by Leon Botstein that places Bartók in a large historical and cultural context. László Somfai reports on the catalog of Bartók's works that is currently in progress. Peter Laki shows the extremes of the composer's reception in Hungary while Tibor Talli surveys the often mixed reviews from the American years. The essays of Carl Leafstedt and Vera Lampert deal with his librettists Béla Balázs and Melchior Lengyel respectively. David Schneider addresses the artistic relationship between Bartók and Stravinsky. Most of the letters and interviews in Part II concern Bartók's travels and emigration as they reflected on his personal life and artistic evolution. Part III presents early critical assessments of Bartók's work as well as literary and poetic responses to his music and personality. *The Cambridge Companion to Bartók* Amanda Bayley, 2001-03-26 This is a wide ranging and accessible guide to Bartók and his music. Bartók and the Grotesque Julie Brown, 2017-07-05 The grotesque is one of art's most puzzling figures, transgressive, comprising an unresolvable hybrid, generally focussing on the human body, full of hyperbole and ultimately semantically deeply puzzling. In *Bluebeard's Castle* 1911, *The Wooden Prince* 1916-17, *The Miraculous Mandarin* 1919-24 rev. 1931 and *Cantata Profana* 1930, Bartók engaged scenarios featuring either overtly grotesque bodies or closely related transformations and violations of the body. In a number of instrumental works, he also overtly engaged grotesque satirical strategies, sometimes as in *Two Portraits*. Ideal and Grotesque, indicating this in the title. In this book, Julie Brown argues that Bartók's concerns with stylistic hybridity, high/low, East/West, tonal/atonal, modal, the body, and the grotesque are interconnected. While Bartók developed each interest in highly individual ways and did so separately to a considerable extent, the three concerns remained conceptually interlinked. All three were thoroughly implicated in cultural constructions of the Modern during the period in which Bartók was composing. **Bartók and the Grotesque** Julie A. Brown, 2007-01-01 In *Bluebeard's Castle* 1911, *The Wooden Prince* 1916-17, *The Miraculous Mandarin* 1919-24 rev. 1931 and *Cantata Profana* 1930, Bartók engaged scenarios featuring either overtly grotesque bodies or closely related transformations and violations of the body. In this book, Julie Brown argues that Bartók's concerns with stylistic hybridity, high/low, East/West, tonal/atonal, modal, the body, and the grotesque are interconnected. All three were thoroughly implicated in cultural constructions of the Modern during the period in which Bartók was composing. **Béla Bartók** Elliott Antokoletz, Paolo Susanni, 2011-04-14 This research guide is an annotated bibliography of primary and secondary sources and catalogue of Bartók's compositions. Since the publication of the second edition, a wealth of information has been proliferating.

in the field of Bartók research The third edition of this research guide provides an update in this field and represents the multidisciplinary research areas in the growing Bartók literature
