Leveraging AI for Freelancing Richard Boateng,Sheena Lovia Boateng,Thomas Anning-Dorson,Emmanuel Awuni Kolog,Joseph Budu,John Serbe Marfo,Obed Kwame Adzaku Penu,2025-05-23 In recent years the profound impact of artificial intelligence AI on fostering new forms of

entrepreneurship has become increasingly evident. Entrepreneurs worldwide are harnessing the capabilities of AI to develop innovative solutions and create businesses that address pressing challenges. Despite the growing recognition of AI's potential, there exists a crucial need to deepen understanding and awareness surrounding how individuals are leveraging AI to establish novel ventures. Many entrepreneurs are pioneering initiatives that deploy AI technologies to tackle complex problems. This challenge revolves around the imperative to explore and comprehend the diverse ways in which AI is driving the emergence of new businesses, solving real-world problems and reshaping the entrepreneurial landscape. It underscores the necessity for entrepreneurs, researchers, and the wider community to grasp the transformative role of AI in fostering innovation and enabling the creation of businesses dedicated to addressing societal issues. Addressing this challenge will contribute to a more comprehensive understanding of the synergy between AI and entrepreneurship, paving the way for informed and impactful ventures that leverage the full potential of AI technologies. In this respect, the purpose of this book is to offer an in-depth exploration of the intersection between AI and entrepreneurial ventures. The book aims to provide a contemporary and thorough analysis of how AI is playing a pivotal role in shaping new forms of entrepreneurship across various industries. It seeks to illuminate the ways in which entrepreneurs are leveraging AI technologies to drive innovation, address challenges, and create businesses that contribute to societal progress. Through the compilation of diverse perspectives, case studies, and practical insights, the book endeavors to serve as a valuable resource for professionals, entrepreneurs, investors, and professionals seeking to understand and navigate the dynamic landscape of AI-driven entrepreneurship.

The Routledge Handbook of the Translation Industry Callum Walker, Joseph Lambert, 2025-07-31. The Routledge Handbook of the Translation Industry provides an accessible and comprehensive overview of current and emerging practices, workflows, and processes in the translation industry, the professional and socio-economic contexts in which industry actors operate, and best practices in translation industry teaching and research in this rapidly developing field. Comprising 33 chapters from scholarly and industry voices, this handbook addresses the many issues arising from growing technologisation, new trends in translation procurement and production, and increasing pressures on the range of actors in the translation industry. The content spans both bottom-up and top-down perspectives, using a variety of theoretical, praxiological, and data-driven approaches. In addition to providing coverage of a range of well-established professional profiles, workflows, and resources, this handbook adopts a novel approach in addressing emerging topics such as global sustainable development and wellbeing, economics, the platform economy, and social media and the influencer economy. The opening mapping chapter and final roundtable chapter provide fitting conceptual and forward-looking bookends for the content. This handbook offers a topical and much-needed forum to engage with the challenges and opportunities facing the translation industry and constitutes an essential point of reference for students and researchers of translation, as well as industry practitioners and professionals. Chapter 4 of this book is freely available as a downloadable Open Access PDF at http://www.routledge.com/9781032114444/9781032114444_chapter_4.pdf.

ePDFs of chapters 1, 2, and 7 are available. Open Access under CC BY NC ND license. Despite recent achievements in the South Korean economy and development within welfare institutions, new forms of precarious work continue to prevail. This book introduces the concept of melting labour, which refers to the blurring of boundaries between traditional forms of work and workplace and the dissolution of standard employment relationships. Presenting a theoretical framework at the

intersection of melting labour and institutional protection of workers it addresses how and why the Korean welfare state has failed to protect precarious workers Based on rich in depth interviews with over 80 precarious workers in Korea from subcontracted manufacturing workers to platform workers it provides a real depiction of how workers lose control over their lives and experience precariousness in labour markets
