With *Strategies and Tactics*, you also get a full-length 200-question practice MBE. As well as over 350 additional questions broken down by subject. Before each subject, you get detailed advice on how to handle MBE questions on that subject and how to focus your studies on the most popular and trickiest MBE topics. For every question, you get a fully explained answer that analyzes in detail every answer option. After all, it's just as important to know why you chose a wrong answer and how to avoid doing it again as it is to know why the correct response was the best choice.
