Barbie The Front Window:

A Bridge Home Mona Alvarado Frazier, 2024 Jacqueline Bravo can't understand why she's being called to the principal's office and is shocked to learn her mother hasn't paid her tuition at St Bernadette High School in three months. Now Sister Mary Grace is threatening to kick her out and even recommends a vocational school until she gets married. Finances have been tight ever since Jacqui's father was killed in Vietnam. She is determined to win the alumni scholarship to UCLA and there's no way she will transfer to a public or vocational school in her senior year, never mind get married. But she doesn't want her younger siblings to have to leave St Patrick's either; her sister is already hanging out with unsavory boys and Jacqui knows it would only get worse at the local school. So she starts looking for a way to earn money and help make ends meet. Without telling her mom, Jacqui gets a job at a local restaurant. She struggles to manage school and work, volunteering with an organization fighting to improve the barrio and new friendships, including with a boy she has had a crush on forever. When the police come to the restaurant looking for a former waitress who is now missing, Jacqui gets pulled into the mysterious goings on. Why does the owner want her to cross the border into Mexico to buy supplies? Is what people say about drugs being sold there true? Introducing teens to the struggles of women and Mexican Americans for equal rights in the 1970s, this appealing novel deals with death and grief, relationships among family and friends, and the importance of believing in your community and yourself.

Billionaire's Hook Up Claire Adams, If Rainer is going to inherit the family fortune, then he has to settle down, and Tasha is his only hope. It isn't easy being a woman in a man's world, but Tasha has been doing her best. While it has meant sacrificing a social life and a love life, she has risen within the ranks of Hyperion, becoming one of the more notable junior executives. But all her success is threatened when stunning Rainer Maxwell weasels his way onto her big project. Of course, Rainer himself is dealing with pressure to be a certain kind of man and a certain kind of success. While the world seems to love his playboy image and slick business style, his family looks down upon it. And that matters because in the Maxwell family, only one heir gets the fortune and the others get pennies. But he'll need Tasha's help. Sparks fly, both good and bad. Is this a match made in heaven, or are these two who are destined to infuriate each other?

Under the Dome Stephen King, 2013-06-11 On an entirely normal, beautiful fall day in Chester's Mill, Maine, the town is inexplicably and suddenly sealed off from the rest of the world by an invisible force field. Planes crash into it and fall from the sky in flaming wreckage; a gardener's hand is severed as the dome comes down on it; people running errands in the neighboring town are divided from their families and cars explode on impact. No one can fathom what this barrier is, where it came from, and when or if it will go away. Dale, a Iraq vet and now a short-order cook, finds himself teamed with a few intrepid citizens: town newspaper owner Julia Shumway, a physician's assistant at the hospital, a select woman, and three brave kids. Against them stands Big Jim Rennie, a politician who will stop at nothing, even murder, to hold the reins of power, and his son who is keeping a horrible secret in a dark pantry. But their main adversary is the Dome itself. Because time isn't just short, it's running out. **The**
