

Barron's Simplified Approach Series

The Simplified Approach Series is the key to real understanding and enjoyment of the greatest works of literature.

In a clear, easy style, the editor discusses the great writer as a person to know; tells why and how he was inspired to write as he did; explains customs and historical background to the work itself.

Then he gives a detailed, analytical summary of the work—spiced with direct quotes and allusions—to illustrate the actual style, content and meaning of the work being studied.
