Bartleby, the Scrivener Illustrated Herman Melville, 2021-05-21 *Bartleby the Scrivener A Story of Wall Street* 1853 is a short story by the American writer Herman Melville first serialized anonymously in two parts in the November and December editions of Putnam s Magazine and reprinted with minor textual alterations in his *The Piazza Tales* in 1856 Numerous essays are published on what according to scholar Robert Milder is unquestionably the masterpiece of the short fiction in the Melville canon The writing career of Herman Melville 1819 1891 peaked early with his early novels such as *Typee* becoming best sellers By the mid 1850s his popularity declined sharply and by the time he died he had been

largely forgotten Yet in time his novel Moby Dick came to be regarded as one of the finest works of American and indeed world literature as was Billy Budd which was not published until long after his death in 1924 This version is a desktop production of 39 photocopied computer printed pages Quite flimsy While other editions are actual paperbacks as I identify them they re all going for less Some as Like New are going for 01 in Amazon Marketplace Or new from Amazon for 4 00 Moral of m story Amazon has all kinds of great books movies seemingly most everything else At all prices These days frugality s for everyone except the top 4% Good idea to check buying choices I just spent 6 more than I could ve should ve would ve spent As for this fine book itself Too many Great Writers are ignored because they were first read centuries ago Melville Dickens Mann and many more are out there waiting for us all Not to mention European authors like Tolstoy Gogol Chekhov Dostoevsky Pushkin and more incredible readable and enjoyable Masters I ve trolled Asian authors too and found great reads All at Amazon of course So getting worldly in your reading s right for our millennium and your matter too Read for not only what s said but how it s said Those past masters have styles diction and for the Masters brilliant edifying and entertaining concepts and insights still fitting for today SO SIX STARS for Bartleby s story and one star for this flimsy edition Nice cover art thoug The five 5 most effective words in the English Language are I would prefer not to In the days before slow down strikes job actions featherbedding etc Bartleby had it pegged Show up for work Do a bit of good work softening up the employer so to speak and then proceed to wear said employer down while getting paid having a rudimentary roof over one s head etc It is akin to a sort of nonworking workfare state Bartleby reminds one of the legendary George Costanza who even had a desk customized so that he could avoid work and still be present I had not read Bartleby in at least forty years and in reading it all these decades later one can appreciate the clear headed genius of Melville One even picks up on the mention of red tape which is used to compress some papers And we know that a reference to red tape today infers a situation in which something is tied up in paperwork and bound not to progress The world of the daily worker has not come very far from Bartleby s world and there are many of us who have been are and will be Bartlebys Most of our lives are spent in a condition of wanting to say I would prefer not to To paraphrase Thoreau the mass of men lead onerous lives Avendo da sempre molto apprezzato questo racconto di Melville che consiglio ho deciso di acquistarlo come regalo per un amico tuttavia una volta arrivato mi aspettavo qualcosa di pi la qualit quella di un ebook stampato con una copertina flessibile das zufallslayout ist eine absolute zumutung das hat ein betrunkenener der sich noch dazu überhaupt nicht im benutzten programm auskannte nehme an wohl w rd layoutiert per zufall dann noch ein paar bilder hineingeworfen **Bartleby, the Scrivener** Herman Melville, 2020-04-06 I am a rather elderly man The nature of my avocations for the last thirty years has brought me into more than ordinary contact with what would seem an interesting and somewhat singular set of men of whom as yet nothing that I know of has ever been written I mean the law copyists or scriveners I have known very many of them professionally and privately and if I pleased could relate divers histories at which good natured gentlemen might smile and

sentimental souls might weep But I waive the biographies of all other scriveners for a few passages in the life of Bartleby who was a scrivener of the strangest I ever saw or heard of While of other law copyists I might write the complete life of Bartleby nothing of that sort can be done I believe that no materials exist for a full and satisfactory biography of this man It is an irreparable loss to literature Bartleby was one of those beings of whom nothing is ascertainable except from the original sources and in his case those are very small What my own astonished eyes saw of Bartleby that is all I know of him except indeed one vague report which will appear in the sequel Bartleby, the Scrivener Herman Melville, 2020-09-08 Bartleby the Scrivener A Story of Wall Street by Herman Melville The narrator a casual business elderly lawyer helps wealthy men deal with mortgages deeds and bonds telling the story of the strangest man he has ever known Bartleby as a new addition to the narrator office The narrator has two staff Nippers and Turkey The claws suffer from dyspepsia and Turkey is drunk But the office survived because in the morning Turkey was sane even though the claws were frustrated and in the afternoon the claws calmed down even though Turkey was drunk Bartleby answers questions about the ad and the narrator hires a naive young man in hopes that his calmness will soothe the moods of other writers One day when Bartleby was asked to proofread one of the papers he had copied he simply replied I don t want to marks the first of many rejections To the disappointment of the speaker and the frustration of the other employees Bartleby was involved in fewer and fewer duties in the office The narrator tries to reason with Bartleby several times and learns about him But Bartleby always responds the same way when asked to work or to provide information about himself I don t want to On weekends when a speaker stops in the office he finds Bartle B lives at the office The stillness of Bartleby s life leaves the narrator at night and Sundays as desolate as a deserted city He alternates between pity and disgust for Bartleby s bizarre behavior Bartleby continued to deny his duties until eventually he was inactive But the narrator was unable to get him out The scavenger has bizarre powers over his employer and the narrator feels he can t do anything to hurt this homeless man But his business peers become suspicious that Bartleby has turned up at the office as he is not at work and the threat of a shattered reputation leads the narrator to do something His attempts to get Bartleby away were in vain Therefore the speaker moved the office to a new location But shortly thereafter a new tenant of the narrator s old office came to him for help Bartleby would not leave When they drove him out of the office Bartleby haunted the corridors The narrator meets Bartleby in a final attempt to reason with him But Bartleby rejected him Fear of disturbing the anti Bartleby group the narrator did not have to work for a few days When he returned he learned that Bartleby had been taken to prison At the prison Bartleby appears to be fatter than usual The friendliness of the speaker was rejected The narrator offers a one stop bribe to make sure Bartleby gets well fed But when the narrator returned a few days later Bartleby died he didn t like to eat Shortly after the narrator heard rumors that Bartleby was working in the dead letter office The narrator reflected that the dead letter would plunge everyone in Bartleby s mood into a darker darkness The letters represent our death and the failure of our best intentions Through Bartleby the

narrator sees the world as the miserable writer must have seen it The closing words of the story are the narrator resigns and sighs in pain Ah Bartlebia man

**Bartleby, The Scrivener** Herman Melville,2020-05-02 Bartleby the Scrivener is the story of a quiet hard working legal copyist who works in an office in the Wall Street area of New York City One day Bartleby declines the assignment his employer gives him with the inscrutable I would prefer not The utterance of this remark sets off a confounding set of actions and behavior making the unsettling character of Bartleby one of Melville s most enigmatic and unforgettable creations

**Bartleby, the Scrivener: A Story of Wall Street (Hardcover)** Herman Melville,2018-08-27 Herman Melville s absurdist classic is printed anew in this presentable hardcover edition First published in 1853 Bartleby the Scrivener has been lauded as a superb even perfect example of short form fiction In the years since its original publication the text has received analysis in numerous essays and is commonly studied in school classrooms and university lectures Variouslly interpreted as a dark office comedy or as an autobiography by the increasingly iconoclastic Melville the story concerns the titular Bartleby a scrivener or clerk hired by the narrator who is a prosperous lawyer based in Manhattan Despite starting very well the quiet Bartleby begins to refuse to do tasks and gradually his workload tapers to zero Each refusal is paired with Bartleby s catchphrase I would prefer not to
