Sexual Harassment in the Workplace: Law & Practice, 5th Edition Conte, 2019-11-13 Sexual Harassment in the Workplace Law and Practice Perspectives on Workplace Communication and Well-Being in Hybrid Work Environments Duarte, Alexandre, Dias, Patrícia, Ruão, Teresa, Andrade, José Gabriel, 2023-05-08 The world has been facing the effects of the COVID 19 pandemic for over two years now Daily life changed dramatically and social distancing and remote working have become the new normal Research about how people are facing these challenges points to common findings and concerns The pandemic has enhanced inequalities taken a toll on mental health and increased the use of digital technologies Many workers are suffering from digital fatigue and struggle to self regulate their life work balance as the permanent digital connection to work is reinforced and they struggle with the blurred borders concerning privacy leisure and rest In this context it is vital to research how organizations have reinvented themselves to cope with the COVID 19 pandemic and understand which of the reactive workplace communication practices and improvised solutions were considered advantageous Perspectives on Workplace Communication and Well Being in Hybrid Work Environments presents different approaches that explore the impact of the COVID 19 pandemic on workplace communication focusing specifically on internal communication mapping new communication practices and assessing their consequences namely the well being of the workers who are coping with these changes The book combines a scientific exploration of these ongoing changes as we transition to a post COVID 19 world with a collection of examples and best practices that help organizations in supporting their members through these transformations and in nurturing their well being Covering topics such as cross department process dependencies hybrid work environments and wellbeing strategies this premier reference source is a vital resource for business leaders and managers IT managers human resource professionals students and educators of higher education librarians researchers and academicians *Future Home* Alejandro Moreno-Rangel, Ruth Conroy Dalton, 2023-12-22 Global pandemics smart technologies demographics and climate

change are just some of the external disruptors that may impact the home's evolution over the next ten years. Future Home provides a comprehensive horizon scan of what our homes may be like approximately ten years from now by looking for early signs of potentially important developments through a systematic examination of trends, innovations, and disruptors. The authors consider what aspects of the home are likely to remain constant and what aspects may change beyond all recognition and if changes are predicted, what form they may take and most importantly, what this means for design professionals. Exploring areas of buildings and technology, people, and delivery, each chapter addresses the catalysts, natures, and responses to these changes. This book provides an overview of the future home that will be essential reading for designers, policy makers, and homeowners alike. Tech-Led Culture Duena Blomstrom, 2023-10-03 Whether you are running a start-up or multinational organization, there is always scope to optimize your processes and reinvigorate your teams. In Tech-Led Culture, Duena Blomstrom highlights how you can discover the new innovations and technologies that can lead to meaningful and lasting change in your business. This book provides you with the insights, knowledge, and confidence you need to improve your performance and ensure that your business thrives and grows in the increasingly innovative and competitive landscape. Employees and teams are more disengaged and fragmented than ever; get ahead of the competition and attract new talent by becoming the exception. Tech-Led Culture is an essential companion for any leader or changemaker looking to implement and sustain change initiatives within their business, which will lead to more productivity, greater innovation, and better performance. Flexible Hybrid Work Matti Vartiainen, 2024-05-02 Despite hybrid work becoming increasingly relevant since the COVID-19 pandemic, exactly what the phenomenon entails remains a burgeoning field of research. Matti Vartiainen explores this shift in working culture and what it means for staff wellbeing and performance, as well as how remote work policies can be implemented effectively. **Research in Education**, 1971 **Resources in Education**, 1998 **The Future of Human Resource Management in a Multigenerational Workforce** Vidhi Tyagi, Shikha Aggarwal, Pallavi Tyagi, 2025-10-06 As organizations navigate an increasingly complex and fast-evolving business landscape, The Future of Human Resource Management in a Multigenerational Workforce provides HR professionals, researchers, and business leaders with a comprehensive guide to understanding and managing the workforce of tomorrow. **Humanizing the Digital Workspace** Marko Orel, Matej Černe, Sut I Wong, 2025-05-09 The digital economy has fundamentally transformed how we live and work, bringing opportunities and challenges. One of the key challenges is understanding how to effectively navigate the relationship between people and technology and harness its power to foster creativity, innovation, and digital leadership. This book examines the relationship between people and technology in the digital workspace from a multidisciplinary perspective. Unlike most of the existing literature, which focuses on the technological aspects of digitization in the workplace, this book equally considers the psychological, social, and cultural implications, as well. The contributing authors also provide insights on employee wellbeing, motivation, and engagement, and challenge the assumption that digital technology stifles

creativity by demonstrating how innovation can foster collaboration experimentation and risk taking Featuring research theories case studies surveys and interviews from fields such as sociology psychology and management this book is of interest to scholars researchers and students in sociology psychology management and related disciplines as well as professionals and leaders looking to better understand the impact of technology on the modern workplace
