Tips Virtual Collaboration:

Virtual Team Success Richard Lepsinger, Darleen DeRosa, 2010-10-19 In today's complex organizations it is not uncommon to have as many as 50 percent of employees working on virtual teams. As the virtual revolution continues to spread, how can companies ensure that virtual team collaboration is producing the desired results? Highly practical and easy to navigate, *Virtual Team Success* leverages the authors' robust global research study and hands-on experience to provide an immediately usable resource for virtual team members and team leaders. This groundbreaking book is a hands-on practical toolkit filled with down-to-earth examples and insights that can enhance the virtual team experience for everyone involved. The authors' research study is one of the most comprehensive applied studies ever conducted on virtual teams, and all of the recommendations outlined are based on these findings as well as the authors' years of experience helping virtual teams and virtual team leaders effectively lead and collaborate from a distance. To help organizations and leaders enhance virtual team performance, the book includes:

- Why Virtual Teams Fail** outlines the four pitfalls that frequently derail virtual teams.
- Profile of High Performing Teams** addresses the characteristics of the most effective virtual teams and what makes them successful.
- Virtual Team Launch Kit** provides practical guidelines and tools for successfully launching virtual teams.
- How to RAMP Up Your Team's Effectiveness** introduces a practical research-based model of virtual team effectiveness to improve team performance.
- Profile of Top Performing Virtual Team Leaders** identifies the practices of the most successful virtual team leaders.
- Facilitating High Impact Virtual Meetings** includes tips and techniques to effectively lead virtual meetings.

Virtual Team Success also includes practical resources for virtual team leaders, quick reference guides for diagnosing virtual team problems, and six lessons for virtual team success.

Leading Effective Virtual Teams Nancy M. Settle-Murphy, 2012-12-13 A proliferation of new technologies has lulled many into thinking that we actually have to think less about how we communicate. In fact, communicating and collaborating across time, distance, and cultures has never been more complex or difficult. Written as a series of bulleted tips drawn from client experiences and best practices, *Leading Effective Virtual Teams: Overcoming Time and Distance to Achieve Exceptional Results* presents practical tips to help leaders engage and motivate their geographically dispersed project team members. If you're a leader of any type of virtual team and want to help your team members collaborate more effectively, then buy this book. You will learn how to:

- Build trust and cultivate relationships virtually across your team.
- Design and facilitate virtual meetings that are focused and engaging.
- Influence without authority.
- Motivate and galvanize a virtual team for top performance.
- Blend asynchronous and synchronous communications for better virtual collaboration.
- Navigate cross-cultural and generational differences in the absence of vital visual cues.
- Assess skills, strengths, aptitudes, and preferences from afar.
- Handle other tough issues that can trip up virtual teams.

The ideas in this book are based on Nancy Settle-Murphy's decades of experience working as a change management consultant, facilitator, and trainer for project teams around the world. Designed to be read section by section in any order, this book shares approaches and

techniques to help you address some of the toughest challenges virtual team leaders face including keeping team members engaged from afar
