A. B. Bosworth & E. J. Baynham

Alexander The Great In Fact And Fiction

Wolfgang Guggemos

Alexander The Great In Fact And Fiction:

Alexander the Great in Fact and Fiction A. B. Bosworth, Elizabeth Baynham, 2000 The book ends with three chapters on historiography a critical analysis of the rhetorically charged ancient descriptions of Alexander's behaviour and enrichment of the source tradition of the reign through a study of Polybius and an exploration of the resonances of contemporary politics in the extant histories from the Roman period **BOOK JACKET** **Alexander the Great in Fact and Fiction** A. B.

Bosworth, Elizabeth Baynham, 2000 This volume collects ten contributions by leading scholars in the field of Alexander studies which represent an advanced scholarship in this area **The Conquests of Alexander the Great** Waldemar

Heckel, 2007-11-05 Waldemar Heckel provides a revisionist overview of the conquests of Alexander the Great Emphasising the aims and impact of his military expeditions the political consequences of military action and the use of propaganda both for motivation and justification his underlying premise is that the basic goals of conquest and the keys to military superiority have not changed dramatically over the millennia Indeed as Heckel makes clear many aristocratic and conquest societies are remarkably similar to that of Alexander in their basic aims and organisation Heckel rejects the view of Alexander as a reincarnation of Achilles as an irrational youth on a heroic quest for fame and immortality In an engaging and balanced account of key military events Heckel shows how Alexander imposed his will on the willing and how the defeated were no longer capable of resisting his military might *The Legacy of Alexander* A. B. Bosworth, 2002-10-24 This major study by a leading expert is dedicated to the thirty years after the death of Alexander the Great in 323 BC It deals with the emergence of the Successor monarchies and examines the factors which brought success and failure Some of the central themes are the struggle for pre eminence after Alexander's death the fate of the Macedonian army of conquest and the foundation of Seleucus monarchy Bosworth also examines the statesman and historian Hieronymus of Cardia concentrating on his treatment of widow burning in India and nomadism in Arabia Another highlight is the first full analysis of the epic struggle between Antigonus and Eumenes 318-316 one of the most important and decisive campaigns of the ancient world

Alexander's Veterans and the Early Wars of the Successors Joseph Roisman, 2012-08-24 From antiquity until now most writers who have chronicled the events following the death of Alexander the Great have viewed this history through the careers ambitions and perspectives of Alexander's elite successors Few historians have probed the experiences and attitudes of the ordinary soldiers who followed Alexander on his campaigns and who were divided among his successors as they fought for control of his empire after his death Yet the veterans played an important role in helping to shape the character and contours of the Hellenistic world This pathfinding book offers the first in depth investigation of the Macedonian veterans experience during a crucial turning point in Greek history 323-316 BCE Joseph Roisman discusses the military social and political circumstances that shaped the history of Alexander's veterans giving special attention to issues such as the soldiers conduct on and off the battlefield the army assemblies the volatile relationship between the troops and their generals and

other related themes all from the perspective of the rank and file Roisman also reexamines the biases of the ancient sources and how they affected ancient and modern depictions of Alexander's veterans as well as Alexander's conflicts with his army the veterans motives and goals and their political contributions to Hellenistic history He pays special attention to the Silver Shields a group of Macedonian veterans famous for their invincibility and martial prowess and assesses whether or not they deserved their formidable reputation

A Companion to Ancient Macedonia Joseph Roisman, Ian

Worthington, 2011-07-07 The most comprehensive and up to date work available on ancient Macedonian history and material culture A Companion to Ancient Macedonia is an invaluable reference for students and scholars alike Features new specially commissioned essays by leading and up and coming scholars in the field Examines the political military social economic and cultural history of ancient Macedonia from the Archaic period to the end of Roman period and beyond Discusses the importance of art archaeology and architecture All ancient sources are translated in English Each chapter includes bibliographical essays for further reading

The Alexander Romance: History and Literature Richard

Stoneman, Krzysztof Nawotka, Agnieszka Wojciechowska, 2018-07-31 The Alexander Romance is a difficult text to define and to assess justly From its earliest days it was an open text which was adapted into a variety of cultures with meanings that themselves vary and yet seem to carry a strong undercurrent of homogeneity Alexander is the hero who cannot become a god and who encapsulates the desires and strivings of the host cultures The papers assembled in this volume which were originally presented at a conference at the University of Wrocław Poland in October 2015 all face the challenge of defining the Alexander Romance Some focus on quite specific topics while others address more overarching themes They form a cohesive set of approaches to the delicate positioning of the text between history and literature From its earliest elements in Hellenistic Egypt to its latest reworkings in the Byzantine and Islamic Middle East the Alexander Romance shows itself to be a work that steadily engages with such questions as kingship the limits of human and Greek nature and the purpose of history The Romance began as a history but only by becoming literature could it achieve such a deep penetration of east and west

The Religious Aspects of War in the Ancient Near East, Greece, and Rome Krzysztof Ulanowski, 2016-07-11

The Religious Aspect of Warfare in the Ancient Near East Greece and Rome is a volume dedicated to investigating the relationship between religion and war in antiquity in minute detail The nineteen chapters are divided into three groups the ancient Near East Greece and Rome They are presented in turn and all possible aspects of warfare and its religious connections are investigated The contributors focus on the theology of war the role of priests in warfare natural phenomena as signs for military activity cruelty piety the divinity of humans in specific martial cases rituals of war iconographical representations and symbols of war and even the archaeology of war As editor Krzysztof Ulanowski invited both well known specialists such as Robert Parker Nicholas Sekunda and Pietro Mander to contribute as well as many young talented scholars with fresh ideas From this polyphony of voices perspectives and opinions emerges a diverse but coherent representation of

the complex relationship between religion and war in antiquity **Affective Relations and Personal Bonds in Hellenistic Antiquity** Monica D'Agostini, Edward M. Anson, Frances Pownall, 2020-11-23 The intense bonds among the king and his family friends lovers and entourage are the most enticing and intriguing aspects of Alexander the Great's life The affective ties of the protagonists of Alexander's Empire nurtured the interest of the ancient authors as well as the audience in the personal life of the most famous men and women of the time These relations echoed through time in art and literature to become paradigm of positive or negative human behavior By rejecting the perception of the Macedonian monarchy as a positivist king army based system and by looking for other political and social structures Elizabeth Carney has played a crucial role in prompting the current re appraisal of the Macedonian monarchy Her volumes on Women and Monarchy in Ancient Macedonia University of Oklahoma Press 2000 Olympias Mother of Alexander the Great Routledge 2006 Arsinoe of Egypt and Macedon A Royal Life Oxford University Press 2013 have been game changers in the field and has offered the academic world a completely new perspective on the network of relationships surrounding the exercise of power By examining Macedonian and Hellenistic dynastic behavior and relations she has shown the political yet tragic heroic thus human side thus connecting Hellenistic political and social history Building on the methodological approach and theoretical framework engendered by Elizabeth Carney's research this book explores the complex web of personal relations inside and outside the oikos family governing Alexander's world which sits at the core of the inquiry into the human side of the events shedding light on the personal dimension of history Inspired by Carney's seminal work on Ancient Macedonia the volume moves beyond the traditionally rationalist and positivist approaches towards Hellenistic antiquity into a new area of humanistic scholarship by considering the dynastic bloodlines as well as the affective relations The volume offers a discussion of the intra and extra familial network ruling the Mediterranean world at the time of Philip and Alexander Building on present scholarship on relations and values in Hellenistic Monarchies the book contributes to a deeper historical understanding of the mutual dialogue between the socio cultural and political approaches to Hellenistic history

Backgrounds of Early Christianity Everett Ferguson, 2003 New to this expanded updated edition are revisions of Ferguson's original material updated bibliographies a fresh discussion of first century social life the Dead Sea Scrolls much else

This is likewise one of the factors by obtaining the soft documents of this **Alexander The Great In Fact And Fiction** by online. You might not require more mature to spend to go to the book creation as skillfully as search for them. In some cases, you likewise complete not discover the broadcast Alexander The Great In Fact And Fiction that you are looking for. It will unquestionably squander the time.

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Alexander The Great In Fact And Fiction eBooks, including some popular titles.

FAQs About Alexander The Great In Fact And Fiction Books

What is a Alexander The Great In Fact And Fiction PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Alexander The Great In Fact And Fiction PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Alexander The Great In Fact And Fiction PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Alexander The Great In Fact And Fiction PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Alexander The Great In Fact And Fiction PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print

restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
