Spinegrinder Clive Davies, 2015-03-06 First came video and more recently high definition home entertainment through to the internet with its streaming videos and not strictly legal peer to peer capabilities With so many sources available today s fan of horror and exploitation movies isn t necessarily educated on paths well trodden Universal classics 1950s monster movies Hammer as once they were They may not even be born and bred on DAWN OF THE DEAD In fact anyone with a bit of technical savvy quickly becoming second nature for the born clicking generation may be viewing MYSTICS IN BALI and S S EXPERIMENT CAMP long before ever hearing of Bela Lugosi or watching a movie directed by Dario Argento In this world H G Lewis so called godfather of gore carries the same stripes as Alfred Hitchcock master of suspense SPINEGRINDER is one man s ambitious exhaustive and utterly obsessive attempt to make sense of over a century of exploitation and cult cinema of a sort that most critics won t care to write about One opinion 8 000 reviews or thereabouts [The Encyclopedia of Fantastic Film](#) R. Before and After Roswell David A. Clary, 2001-01-22 The flying saucer has been the most vivid and persistent image in American life of the last half century It has also generated more controversy and rancor than anything else that might be characterized as a fantasy It is malleable suiting a wide variety of beliefs and outlooks touching nearly every public concern It arrived as a mysterious threat from above a metaphor for The Bomb It transformed swiftly into a hope from above promising to save us from ourselves Renamed UFO it became a symbol for those who distrusted the government Along its way through the postwar skies it acquired a cargo that included every species of hoax craziness lunacy and even sexual fantasy along with a fair amount of scientific and political baggage The flying saucer myth says much about how Americans react to the unexpected Before and After Roswell The Flying Saucer in America 1947 1999 places the flying saucer idea in the context of history politics entertainment and science to arrive at an explanation of what it is all about and how it got that way Because the Roswell incident the story that a flying saucer crashed near Roswell New Mexico in 1947 and that the government has hidden the truth about it ever since has dominated the subject recently the book is anchored around that particular story while demonstrating that the flying saucer did exist before and after Roswell It corrects some misconceptions including one that holds that because a majority of people say they believe in UFOs they therefore believe in a conspiracy to cover up the truth about them After detailing what actually happened in Roswell in 1947 the book takes up the birth of the flying saucer earlier that year underscoring the fact that the name originally denoted its movement not its shape The text then examines the Air Forces and CIAs responses to the phenomenon and the rise of

competing bands of ufologists true believers and skeptics to dominate debate over it The book also addresses Cold War contributions to the UFO issue and the role of Hollywood in providing the images that defined it Along the way it describes the crashed saucer tradition the contactees abductions men in black the Bermuda Triangle ancient astronauts cattle mutilations the little gray alien SETIs Drake Equation sex and the flying saucer and the rise of a new ufology emanating from the conspiracy culture growing out of the Kennedy assassination mythology and the Watergate scandal Part Two of Before and After Roswell begins with the invention of the incident in 1980 then traces the history of the flying saucer idea to the end of the century Important here are the submersion of the saucer into the larger anti government conspiracy tradition of that period and the increasing domination of the subject by television including Area 51 a myth invented on a TV show and the combined influence of reality based cable documentaries and the amazingly popular series The X Files Also addressed are such things as crop circles the MAJIC hoax the face on Mars UFO conspiracy fiction and the explosion of the abduction belief A chapter on The Battle of Roswell traces the evolution of that controversy through a succession of books by ufologists in the end it broke down into disputed orthodoxies and feuds over who had the real crash site to charge admission to When boosters tried to turn Roswell into a tourist attraction their quarrels and mercenary outlook alienated the town and made the annual UFO Encounter a flop The book concludes that the flying saucer is not a thing but an idea and one that will overcome the burden of

80's The Gold Decade Of The Horror Movie Matteo Tortora, 2014-11-18 A journey into the numerous Horror Films of the 80's analyzed under a religious profile which is purely Catholic The diversification of the analysis is of course an issue that interests us In fact of all the films taken into consideration this

journey not only gives a brief opinion of the film but it also shows the depth and thoughts shared and prepared by the Catholic Cinematographic Center This Centre analyzes the plot and also evaluates the film under an ethical moral and religious aspect in order to indicate if Catholics are able to watch it The result is a really interesting insight and sometimes it has a fun perspective We must acknowledge however that the critical Catholic knows how to diversify religious opinion from the technical creative aspects This means that a film can be recognized as a masterpiece but not get the clearance for visibility 65 deepened critical articles of the most important films of the decade Over 9000 Horror Movies from 1980 to 1989 linked to external resources for Cast Posters Images and Reviews The electronic version of this book is designed in Kindle PDF and Epub format This is an interactive book An Internet connection is not essential although it is recommended so the reader can take advantage of the many external links that are present in the work
