location independent career while experiencing the world *The Projection Designer's Toolkit* Jeromy Hopgood, 2021-12-22

The Projection Designer's Toolkit is an insider's guide to the world of professional projection design serving as a reference for the planning and execution of each step in the projection design process. The text addresses the design process within the context of a professional projection designer's workflow, focusing on specific tools of the trade, best practices for communicating your design to collaborators, tips and tricks, determining budget, working with assistants, and more. Featuring interviews with some of the top names in the industry, the book offers an unprecedented insight into the professional projection designer's process across a wide range of fields from Broadway and regional theatre to corporate design and music touring. The book also includes in-depth discussion on production process, system design, cue and content planning, content design, digital media fundamentals, media servers, video equipment, and projection surfaces. Additionally, it features hundreds of full-color photos and examples of designer artifacts such as draftings, mock-ups, paperwork, cue sheets, and renderings. Filled with practical advice that will guide readers from landing their first job all the way through opening night and beyond, *The Projection Designer's Toolkit* is the perfect resource for emerging projection designers and students in Digital Media Design and Projection Design courses.
