A Life Full Of Days:

21 Days to Master Lightening Up Your Life Loretta Laroche, 2012-08-13 Studies have shown it takes only 21 days for a new habit to take root. If there's a spiritual interest you've always wanted to take advantage of, the answer is just 21 days away with the 21 Days to Mastery Series. From time to time we all need reminding how to take life less seriously and simply enjoy ourselves. This short, easy-to-read guide will put you back in touch with your sense of humour and the joy of life. In quick pick-me-up chapters, stress management consultant Loretta LaRoche takes you on a hysterical journey from stressed to blessed, reminding you what it's like to be alive, connected with others, and savouring the present moment. Using amusing anecdotes from her own life as well as the latest research in the fields of psychology and mind/body health, Loretta unveils simple techniques for living a life filled with laughter, compassion, and delight. With this innovative title, you'll find an insightful word is always close to hand whenever you need a reminder on how to enjoy pleasure wherever you find it. **21 Ways and 21 Days To The Life You Want**, **All The Days Of My Life So Far** Alison Sweeney, 2005-07-01 A memoir by the actress describes her life and career, including her start as a child actress, her successful weight loss, and her portrayal of Sami on the soap opera *Days of Our Lives*. **Summary of 30 Days - Change Your Habits, Change Your Life** SellWave Audio, 2025-10-24 30 Days is a transformative guide that aims to help individuals take control of their lives and break free from the cycle of repetitive, unproductive habits. The book addresses the common struggle of feeling powerless, where many people continuously expect different results from doing the same things over and over, a phenomenon that Albert Einstein famously called the purest form of insanity. In this fast-paced and straightforward audiobook, the author presents a method for change that doesn't rely on external factors but instead empowers individuals to reshape their lives from the inside out. The key to this transformation, according to the book, is to change your habits by taking small steps every day. These simple actions can ultimately lead to profound shifts in self-confidence, relationships, and overall well-being. By focusing on daily actions, 30 Days encourages readers to stop being victims of their circumstances and start creating the life they want. The book emphasizes that nothing in life happens just because; rather, everything is a result of your thoughts, beliefs, and expectations. Rooted in science, neuroscience, and positive psychology, the strategies in 30 Days are designed to help individuals improve their emotional intelligence, build better relationships, and achieve personal goals like finding the job of their dreams or starting a successful business. It challenges readers to stop avoiding their emotions and to embrace them, ultimately leading to increased happiness, health, and wealth. 30 Days isn't just a book to read; it's a program that requires consistent action, offering readers the opportunity to transform their lives and unlock their full potential. *The Life of (A Single Parent) Brian!* Brian Rowlands, 2010-10 What happens when, after ten years of what you thought was a happy and normal family life, your wife suddenly turns your world upside down and leaves, leaving you heartbroken and in shock, and with two expectant young children to care for and raise? First, you hit the bottle, get seriously drunk, and hit a downward spiral.

in free fall heading for certain disaster Then once you've hit rock bottom you take stock of the situation pick yourself up dust yourself down and begin the long and difficult climb out of the abyss putting life together again piece by arduous piece This is what happened to Brian Rowlands and this is his true story Beginning with the end of his marriage this book charts his and his children's journey along the long and very rocky road they encountered as they struggled to rebuild their shattered lives and put some kind of stability and substance back in place Filled with many highs and lows and told in an honest and open manner this book charts the last ten years in this single parent family's remarkable life From heartbreak to happiness through disastrous relationships difficult medical problems and eleven different homes in five years their story will entertain enthrall and shock Drawing the reader in once started it is a book that the reader will want to go on reading page after page leaving you begging for more and wanting to know just what happens next
