Wielema, 2011-11-11 Ever since it was first written Adriaan Koerbagh s anti Christian work A Light Shining in Dark Places has been nearly inaccessible Had it been known during the Enlightenment it would have been a great inspiration to radical thinkers However it was suppressed and the author died in jail The full text is now available in English Koerbagh demolishes such Christian notions as the Creator the Trinity the divinity of Jesus heaven and hell angels devils and miracles Instead he presents a monistic world view in which Nature and God are identical Theology is a part of natural science God can only be worshipped by acting rationally Koerbagh s rational religion is intended to contribute to a free peaceful and liberal society *Light Shining into Darkness* Engage Today, 2021-10-31 The stories in this book illustrate the dynamic indigenous partners of Engage Today who have established missions to reach their own people with the Gospel These leaders are committed to church planting and evangelism among the unreached and are examples of humbly serving with Biblical childlike faith The vision of Engage Today is to build mutually beneficial relationships between Canadian churches and faithful indigenous missions so the missions are mobilized to bring the Gospel to the remaining unreached peoples and the Canadian Church finds a renewed passion and vision for

A Light in Dark Places Daniel Sykes,2017-04-07 Within the light of the events that shape our stories are the driving thoughts behind our tied conclusions In reflective delivery of our dreams our illusions are passed upon the terms of reference within the nitty gritty of the pages interned in our reflections Our eyes may open to the light of dawns heights as the sun draws the blue sky in compensation for which the shadows slide In chains of courage that link our societies within the rise of challenge to the levels approached and in need for our labour we walk within the comforts created for tides upon the currents of rest that sleep inside the rifts of idle sensations to be pronounced by the words in verse to our terms of belief and understanding Within the precision of the sharpened blade of fact our wishes are passed in honour of the light they praise and in reflex of the common goals and conscious tests of occasion to which we tackle the deepest conclusions that reap our assets in harvest of the knowledge that frames our worth We drift inside the shining moonlit mantles and depths inside the secrets that possess our fortunes and cast shadows interned by the force of the objects that surround features upon the light we seek Be careful what you wish as such sort of afterthoughts bear the sincerity of our convictions Any ease too quick to suggest time has not been wasted in the flames that sight such thoughts as true may only see them coming before such haste attracts our darkest fates in forceful time of the demons that consume our everchanging flights The story behind the darkest things I know to be true is set to show you all the evil that I draw for you in an image of reference and portrait of what has not just happened to me
