A Jewish Life Of Jesus:

Jesus of Nazareth, King of the Jews Paula Fredriksen, 2012-11-07 Paula Fredriksen renowned historian and author of *From Christ to Jesus* begins this inquiry into the historic Jesus with a fact that may be the only undisputed thing we know about him his crucifixion Rome reserved this means of execution particularly for political insurrectionists and the Roman charge posted at the head of the cross indicted Jesus for claiming to be King of the Jews To reconstruct the Jesus who provoked this punishment Fredriksen takes us into the religious worlds Jewish and pagan of Mediterranean antiquity through the labyrinth of Galilean and Judean politics and on into the ancient narratives of Paul's letters the gospels the Dead Sea Scrolls and Josephus histories The result is a profound contribution both to our understanding of the social and religious contexts within which Jesus of Nazareth moved and to our appreciation of the mission and message that ended in the proclamation of Jesus as Messiah

Walking in the Dust of Rabbi Jesus Lois Tverberg, 2012-03-06 In this ebook download of *Walking in the Dust of Rabbi Jesus* Lois Tverberg challenges readers to follow their Rabbi more closely by reexamining his words in the light of their Jewish context Doing so will provide a richer deeper understanding of his ministry compelling us to live differently to become more Christ like We'll begin to understand why his first Jewish disciples abandoned everything to follow him to live out his commands Our modern society with its individualism and materialism is very different than the tight knit family oriented setting Jesus lived and taught in What wisdom can we glean from his Eastern biblical attitude toward life How can knowing Jesus within this context shed light on his teachings for us today In *Walking in the Dust of Rabbi Jesus* we'll journey back in time to eavesdrop on the conversations that arose among the rabbis of Jesus day and consider how hearing Rabbi Jesus with the ears of a first century disciple can bring new meaning to our faith And we'll listen to Jewish thinkers through the ages discovering how ideas that germinated in Jesus time have borne fruit Doing so will yield fresh practical insights for following our Rabbi's teachings from a Jewish point of view

"Toledot Yeshu" in Context Daniel Barbu, Yaacov Deutsch, 2020 The Jewish Life of Jesus or Toledot Yeshu provides one of the most extraordinary accounts of the beginnings of Christianity The narrative describes Jesus as child born of adultery a charlatan and a false prophet who performed would be miracles through the use of magic Throughout the centuries the story aroused the ire of anti Jewish polemicists delighted anti clerical authors and was viewed by Jewish scholars as a subject of embarrassment Toledot Yeshu presents us with a formidable counter history of the origins of Christianity In the eighteenth century Voltaire went so far as to proclaim that Toledot Yeshu however extravagant was perhaps more truthful than the Christian gospels The object of this volume is to consider this narrative as an object of history to question its transmission reception and function within the various historical settings in which it circulated and seek to understand its meaning for both Jews and non Jews from antiquity to the modern era
