A Journey In Grace A Theological Novel:

A Journey in Grace Richard P. Belcher, 1988 *A Journey in Providence* Richard P. Belcher, 2024-09-03 Christians today often neglect the doctrine of God's providence. We tend to think of ourselves as in control of far more than we really are even though the Scriptures clearly state that all things are upheld by the word of Christ's power. This fresh story by Dr. Belcher is a warm introduction to this important biblical teaching. *A Journey in Providence* contains reflections from the biblical book of Job. It's another volume in Dr. Richard Belcher's continuing series of theological novels starting with *A Journey in Grace*. Tragedy draws Ira to seek God more closely and to understand the Lord's mysterious purposes in life. **A Journey in Grace** Richard P. Belcher, 1990-03-01 This is the story of a young pastor with a typical twentieth-century theology and his pursuit of a burning theological question which was triggered in his first experience with a pulpit search committee. He cannot and does not rest until he has answered the challenge of the question: Young man, are you a Calvinist? **Biblical Counsel**, 1993 *GraceQuest* Robert V. Rakestraw, 2015-04-13 In this fascinating spiritual theological autobiography, Robert Rakestraw tells of his lifelong unceasing search for God. After a troubled and unconventional childhood, he came to know the grace and freedom of God in a personal way during his college years. He then embarked on an unwavering intellectual and spiritual quest for truth and meaning in life. Without technical language, Rakestraw highlights significant developments and revisions in his understanding of God and God's ways of interacting with the world. In striking and sometimes intimate detail, he relates compellingly his experiences as a student, pastor, professor, sufferer, heart transplant recipient, and above all, seeker of God. Dr. Rakestraw's gripping portrayal of his difficulties and sufferings, especially with regard to health issues, does not come across as depressing. Rather, it presents the sustaining love and goodness of God in such a way that will pull readers in to investigate the remarkable and freely offered grace of God extolled by the author. **The Book of Buechner** W. Dale Brown, 2006-01-01 The most thorough and extensive investigation ever written on the much beloved writer. *The Book of Buechner* explores the ways in which Frederick Buechner's writing, particularly his fiction, presents the possibilities of grace in the midst of the ambiguities of human existence and introduces themes of Christian faith. Both long-time readers and neophytes seeking a guide through his writings will delight in the illuminating analysis. Dale Brown has to offer intelligent and gratifying. *The Book of Buechner* is a much overdue literary journey through one of the most significant American writers of the last fifty years. *The Sermon on the Mount: A Blueprint for Christian Living* Kenneth Caraballo, 2024-10-13 *The Sermon on the Mount: A Blueprint for Christian Living* offers a fresh insightful exploration of Jesus' timeless teachings in Matthew 5-7, commonly known as the Sermon on the Mount. This sermon, which forms the cornerstone of Christian ethics, reveals the heart of what it means to live as citizens of God's Kingdom. In 25 compelling chapters, this book unpacks each element of Jesus' message from the Beatitudes, which describe the character of Kingdom citizens, to practical instructions on prayer, forgiveness, and how to live in a world filled with opposition and moral challenges. It provides readers with a step-by-

step guide to transforming everyday life by following Christ's radical call to humility, purity, love, and trust in God. Whether you are new to the Bible or have been following Christ for many years, this book serves as a guide to living out the values of the Kingdom of Heaven. It emphasizes the importance of heart transformation over mere outward obedience, calling believers to a higher standard of love, righteousness, and integrity. The Sermon on the Mount: A Blueprint for Christian Living challenges us to embody Jesus' teachings in practical ways, offering hope, direction, and encouragement for living a life that reflects the light of Christ in a broken world.

Created to Draw Near Edward T. Welch, 2020-01-07 You are a royal priest. That Reality Will Change Your Life. Human beings are wired for connection. We long for deep relationships and real intimacy, both of which reflect our fundamental desire to be close to God. But all too often, whether because of our sin or our failures, we imagine that God prefers to keep his distance. In this book, Edward T. Welch shows us the purpose for which we were created: to be brought near to God as a kingdom of priests. He traces the priestly identity throughout the entire Bible, showing us how holiness leads to closeness to God. Through the blood of Jesus, God extends his invitation for all to draw near with open arms. And in his presence, we discover what it means to be truly human: known, unashamed, and wise, full of meaning, purpose, and abundant life.

Forming the Church in the Modern World Thomas A. Baima, 2019 This book examines and comments on various aspects of the theology of Avery Cardinal Dulles, SJ. It demonstrates how important his ideas were in forming our current understanding of church and theology.

Women of Florida Fiction Tammy Powley, April Van Camp, 2014-12-12 Florida as symbol and myth is the subject of this collection of new critical essays exploring fiction written by female Floridian authors. In the words of author Karen Russell, the Sunshine State is virtually past; less seasons are out of the question, and it's built on a primordial park full of monsters. Discussing the state as setting, the essayists also, Floridians suggest that it is a creation of the stories told about it. Each of the book's 12 chapters covers one author, including a brief biography followed by one and twice two essays on some of the author's works. The book's final section includes interviews with authors Lynne Barrett, Jeannine Capo Cruz, Vicki Hendricks, and Angela Hunt.
