Religious Experience and Experiencing Religion in Religious Education Ulrich Riegel, Eva-Maria Leven, Daniel Fleming, 2018 In Europe religious and spiritual education happens in a context which is at the same time increasingly secular and religiously plural This places the problem of religious experience on the agenda Today most students of religious and spiritual education lack appropriate experiences and show different opinions about what religion or spirituality could be This setting raises several questions How can religious experience be conceptualized in a context of religious plurality and

secularity with the traditional religious traditions as just one option among others How does lived religion contribute to such a conceptualization Do the concepts of spirituality and implicit religion give way to a new understanding of religious experience How can be grasped religious experience beyond the traditional religious practices Do traditional empirical methods still fit Which concepts and methods can we utilize in bringing religious experience into religious or spiritual education

The Bloomsbury Handbook of Religious Education in the Global South Yonah Hisbon Matamba, Bruce A. Collet, 2022-02-10 The Bloomsbury Handbook of Religious Education in the Global South presents new comparative perspectives on Religious Education RE across the Global South Including 23 chapters written by scholars from the Global North and South this is the first authoritative reference work on the subject The handbook is thematically organised into seven sections The first three sections deal with provision response to changes in contemporary society and decolonizing RE The next four sections explore young people and RE perspectives on teachers RE in higher education and finally challenges and opportunities for RE The term Global South is used here primarily to signify the deep economic divide with the Global North but the concept is also examined in historical geographical political social and cultural terms including the indelible influence of religion in all four broadly defined regions Exploring RE from local cross national as well as regional and sub regional perspectives the handbook examines RE from its diverse past present realities and envisioned future revealing not only tensions contestations injustices and inequalities of power but importantly how inclusive forms of RE can help solve these problems
