Simon Beckett, 2007-09-25 I took the skull from its evidence bag and gently set it on the stainless steel table Tell me who you are With this silent plea forensic expert Dr David Hunter ignites a harrowing murder investigation on a windswept Scottish island and a tale of menace sexuality and revenge unravels along with the chilling message that a killer has Dr David Hunter should be in London with the woman he loves and a past he can't quite shake off Instead as a favor to a beleaguered cop Hunter travels to a remote island in the Outer Hebrides to inspect a baffling set of remains A forensic anthropologist he has seen bodies destroyed by all forms of violence but even he is surprised at what he finds human remains burned beyond recognition all within the confines of an otherwise undamaged unoccupied cottage Local police want to rule the death accidental But Hunter's examination of the victim's charred skull tells him that this woman no doubt a stranger to the close knit island of Runa was murdered by someone nearby Within days two more people are dead by fire Hunter's job is to coax the dead into telling their stories but now that he's beginning to hear them he is staggered by the truth Working with only the barest of clues he peels back the layers of mysteries past and present exposing the tangle of secrets at the heart of this strange community from the deceptions of a wealthy couple to the bitterness of an ex cop and the secrets of a lonely single mother as a tale of rage and perversion comes full circle then explodes in a series of violent acts and shocking twists
