Air Force Wisconsin Warner Bros Screenplay Series:

The Wisconsin/Warner Bros. Screenplay Series Julia Oddy,1991 **Air Force** Dudley Nichols,1983 Released in 1943 Air Force was immediately hailed as the definitive patriotic heart throb in celluloid that America engulfed in war and passionately bent on victory was primed to embrace Lawrence Suid charts the evolution of this cinematic success in his introduction to the screenplay tracing the tangled network of artistic military and nationalist interests that molded this film and made it even after the martial fervor had settled a standard against which all future films about war would be measured Throughout the filming there was tension between the aims of the War Department and those of Howard Hawks Hawks would ultimately produce more than stilted propaganda it is the skillfully modulated tension the ambience of men in war and the total immersion in action and adventure that make this a Hollywood classic still savored and studied today **The Warner Brothers** Chris Yogerst,2023-09-05 One of the oldest and most recognizable studios in Hollywood Warner Bros is considered a juggernaut of the entertainment industry Since its formation in the early twentieth century the studio has been a constant presence in cinema history responsible for the creation of acclaimed films blockbuster brands and iconic superstars These days the studio is best known as a media conglomerate with a broad range of intellectual property spanning movies TV shows and streaming content Despite popular interest in the origins of this empire the core of the Warner Bros saga cannot be found in its commercial successes It is the story of four brothers Harry Albert Sam and Jack whose vision for Hollywood helped shape the world of entertainment as we know it In The Warner Brothers Chris Yogerst follows the siblings from their family s humble origins in Poland through their young adulthood in the American Midwest to the height of fame and fortune in Hollywood With unwavering resolve the brothers soldiered on against the backdrop of an America reeling from the aftereffects of domestic and global conflict The Great Depression would not sink the brothers who churned out competitive films that engaged audiences and kept their operations afloat and even expanding During World War II they used their platform to push beyond the limits of the Production Code and create important films about real world issues openly criticizing radicalism and the evils of the Nazi regime At every major cultural turning point in their lifetime the Warners held a front row seat Paying close attention to the brothers identities as cultural and economic outsiders Yogerst chronicles how the Warners built a global filmmaking powerhouse Equal parts family history and cinematic journey The Warner Brothers is an empowering story of the American dream and the legacy four brothers left behind for generations of filmmakers and film lovers to come The Star-Spangled Screen Bernard F. Dick,2022-05-31 The American World War II film depicted a united America a mythic America in which the average guy the girl next door the 4 F patriot and the grieving mother were suddenly transformed into heroes and heroines warriors and goddesses The Star Spangled Screen examines the historical accuracy or lack thereof of films about the Third Reich the Resistance and major military campaigns Concerned primarily with the films of the war years it also includes discussions of such postwar movies as Battleground 1949 Attack 1956 The Bridge on the

River Kwai 1957 and Patton 1970 This revised edition includes new material covering recent films such as Saving Private Ryan 1998 Pearl Harbor 2001 Dunkirk 2017 and JoJo Rabbit 2019 and their place in the war movie tradition The Star Spangled Screen makes a major contribution to popular culture by re creating an era that for all its tragedy was one of the most creative in the history of American film White Heat Ivan Goff,Ben Roberts,1984 Among the countless gangster films produced by Hollywood few are as haunting complex or ingeniously crafted as White Heat 1948 Students of film history and screen writing will appreciate this treatment an engaging study of teh various artistic elements that turned what might have been just another gangster film into an innovative classic of the genre and a model of cooperative filmmaking at its best Crucial to White Heat s success McGilligan stresses was the rare manner in which every aspect of production coalesced studio script cast crew and director **United Artists, Volume 2, 1951-1978** Tino Balio,2009-04-08 In this second volume of Tino Balio s history of United Artists he examines the turnaround of the company in the hands of Arthur Krim and Robert Benjamin in the 1950s when United Artists devised a successful strategy based on the financing and distribution of independent production that transformed the company into an industry leader Drawing on corporate records and interviews Balio follows United Artists through its merger with Transamerica in the 1960s and its sale to MGM after the financial debacle of the film Heaven s Gate With its attention to the role of film as both an art form and an economic institution United Artists The Company That Changed the Film Industry is an indispensable study of one company s fortunes from the 1950s to the 1980s and a clear eyed analysis of the film industry as a whole This edition includes an expanded introduction that examines the history of United Artists from 1978 to 2008 as well as an account of Arthur Krim s attempt to mirror UA s success at Orion Pictures from 1978 to 1991 **The Sea Hawk** Howard Koch,1982 Screenplay **Little Caesar** Francis Edwards Faragoh,1981 Screenplay by Francis Edwards Faragoh from the novel by W *Mystery of the Wax Museum* Richard Koszarski,1979 Screenplay of the motion picture *The Adventures of Robin Hood* Norman Reilly Raine,Seton I. Miller,1979 Screenplay
