The Politics of Shopping Kaela Jubas, 2016-06-16 An exploration of how people who are concerned about globalization and consumption learn about these issues through their shopping and use that knowledge to change the status quo

The Processes and Practices of Fair Trade Brigitte Granville, Janet Dine, 2013 Fairtrade has established itself as a distinct phenomenon within the realm of global consumerism Fairtrade aims to protect small producers against price volatility and inadequate incomes as well as to provide community benefits health care education It relies on consumer purchases of FT products carried out at agreed minimum prices These purchases measure the trust accorded to the scheme which is founded on a system of certification comprising a series of recommended producer welfare enhancing standards that FT products must satisfy

Tourism Research Methods Brent W. Ritchie, Peter Burns, Catherine Palmer, 2005 Within the tourism industry there is a growing consensus on the need for research to investigate the economic social and environmental impacts of tourism However existing research methods texts are based solely on either the business approach or the social science approach to tourism They often fail to provide real world examples of how to plan implement or analyse tourism related research This book aims to address this divide by integrating theory with practice through the inclusion of specific tourism research case studies alongside research theory It considers a wide range of research issues approaches and techniques with contributions from both experienced and new researchers

Your Shopping Superpower Diane Osgood, 2025-04-22 Your Shopping Superpower provides an insightful guide and strategies for shoppers to align the contents in their carts with their personal values Are there harmful toxins in your food and body care Who makes the products you purchase and under what conditions What impact does the production of these items have on the environment If 70% of the U S economy is driven by consumer spending then every purchase we

make has a physical and social impact on the world Unfortunately our shopping choices can unintentionally contribute to climate change and social injustice Many people wish they could do more to combat these unjust and unsustainable outcomes So what is the connection between our purchases and this impact Your Shopping Superpower explores this important question and offers a comprehensive guide that navigates toward positive and sustainable shopping practices by providing pragmatic tips tools and revealing how our habits can help reduce climate change support companies with equitable workplace conditions and foster diverse local businesses Broken into categories including People Planet Community and Health Diane Osgood expands on key issues regarding climate degradation labor exploitation products containing carcinogens and toxins and the importance of supporting local women owned and minority owned businesses while covering an array of products that include food fashion gifts household items and personal care Addressing shoppers doubts about whether consumer choices truly have an impact and their concerns about costs and accessibility Osgood shows how making these easy changes fosters happiness With helpful diagrams and firsthand stories on climate and social injustice Your Shopping Superpower informs and guides shoppers on how to Implement one change per week Identify trustworthy certifications rating systems and apps Detect greenwashing and other misleading marketing Determine which purchases to switch for maximum impact Handle and approach choices that aren't easy or affordable By changing what we buy we can initiate the change in our economy's environmental footprint and social impact To enact change we must start simple it's about progress not perfection
