The Defenestration of Bob T. Hash III David Deans,2008-07-29 In a picture postcard town in the sunny suburban home of Bob T Hash III something altogether strange and amazing has occurred An African gray parrot and beloved pet named Comenius has suddenly and unexpectedly transformed into a man It seems this unassuming exotic bird heretofore content to mind its own business has miraculously metamorphosed into the spitting image of his unsuspecting master Bob T Hash III right down to the smartly pressed suit dashing necktie and sensible horn rims As luck or some darker design would have it no one witnesses this astonishing feat of shapeshifting And in a serendipitous twist of fate luck s fickle cousin the genuine Bob T Hash III having apparently absconded to Acapulco with his charming assistant is conveniently AWOL Thus the coast is clear for the puzzled but not entirely displeased parrot to exit the wings and do what parrots do best imitate their owners a charade the avian impostor rises to effortlessly slipping with nary a misstep into the shoes the career and even the marital bed of Bob T Hash III But when having taken the reins as CEO of the Acme International Institute of Languages he stumbles upon a heinous act of corporate and grammatical sabotage Comenius begins to suspect he s being stalked by himself and it suddenly looks as if his best laid plans might just be heading south Think Kafka inverted upended and gleefully reverse engineered by Monty Python Think Borges deconstructed by Lewis Carroll and reassembled with spare parts scavenged from The New Yorker and MAD Analogies abound yet nothing can truly compare to the comic broadsides dazzling wordplay cheeky wit and wholly original flights of imagination working their magic in David Deans s inventive new novel
