

Boer War

Thomas Pakenham

Boer War:

The Boer War John Gooch, 2013-10-23 This collection of essays by leading British and South African scholars looking at the Boer War focuses on three aspects how the British Military functioned the role of the Boers Afrikaners and Zulus and the media presentation of the war to the public *The Second Boer War, 1899-1900* John Philip Wisser, 1901 **The Boer War** Denis Judd, Keith Surridge, 2013-03-15 The Boer War of 1899-1902 was an epic of heroism and bungling cunning and barbarism with an extraordinary cast of characters including Churchill Rhodes Conan Doyle Smuts Kipling Gandhi Kruger and Kitchener The war revealed the ineptitude of the British military and unexpectedly exposed the corrupt underside of imperialism in the establishment of the first concentration camps the shooting of Boer prisoners of war and the embezzlement of military supplies by British officers This acclaimed book provides a complete history of the Boer War from the first signs of unrest to the eventual peace In the process it debunks several of the myths which have grown up around the conflict and explores the deadly legacy it left for southern Africa *The Boer War* Eversley Belfield, 1993 Reissued at a time when South Africa faces another turning point in its history this account of the Boer War first published in 1975 sets out and explains the complex workings and issues of a war that was for Britain in many ways the prelude to World War I **The Anglo-Boer War in 100 Objects** The War Museum of the Boer Republics, 2018-07-30 The Anglo Boer War in 100 Objects brings the victories and the tragedies and the full extent of the human drama behind this war to life through 100 iconic artifacts While a Mafeking siege note helps to illustrate the acute shortages caused by the siege a spade used by a Scottish soldier at Magersfontein and the boots of a Boer soldier who died at Spion Kop tell of the severity of some of the famous battles The book follows the course of the war but also highlights specific themes such as British and Boer weaponry medical services and POW camps as well as major figures on both sides The text is interspersed with striking historical images from the museums photographic collection More than 200 additional objects have been included to help tell the story of a conflict that left an indelible mark on the South African landscape *The Anglo-Boer War, 1899-1902* Johannes Meintjes, 1976

The Boer War Thomas Pakenham, 1992 The war declared by the Boers on 11 October 1899 gave the British as Kipling said no end of a lesson It proved to be the longest the costliest the bloodiest and the most humiliating campaign that Britain fought between 1815 and 1914 Thomas Pakenham has written the first full scale history of the war since 1910 His narrative is based on first hand and largely unpublished sources ranging from the private papers of the leading protagonists to the recollections of survivors from both sides Out of this historical gold mine the author has constructed a narrative as vivid and fast moving as a novel and a history that in scholarship breadth and impact will endure for many years *The Boer War 1899-1902* Gregory Fremont-Barnes, 2014-06-06 Victorious in its previous campaigns in Africa against native armies Britain now confronted an altogether different foe The Boers proved to be formidable opponents masterfully compensating for inferior numbers with grim determination resourcefulness and strong religious faith Their mobility expert use of cover and

knowledge of the terrain in which they employed powerful long range magazine rifles gave them initial advantages By contrast the British suffered from inadequate transport insufficient mounted troops and poor intelligence Despite marshalling the immense resources of their empire the British were to be severely tested in a war which one general described as the graveyard of many a soldier s reputation **The Transvaal Rebellion** John Laband,2005 This account of the First Boer War of 1881 1881 shows how the British army was jolted out of its complacency by the effective fire and movement tactics of the Boers and the lethal effects of modern small arms John Laband demonstrates how the Transvaal rebellion highlighted the problems of imperial overreach in a far flung empire and emphasised the many divisive political ideological racial social and economic tensions in nineteenth century South Africa which prefigured the great crisis of the Boer War of 1899 1902 *The Anglo-Boer War (1899-1902): White man's war, black man's war, traumatic war* André Wessels,2010-09-01 Based on many years of research with regard to the Anglo Boer War this book is essential reading for anyone who would like to know more about the most devastating conflict that has thus far been waged between white people in Southern Africa However with due course this war also involved more and more black brown and to some extent Asian people

Boer War Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has are more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is actually remarkable.
