
Chapter 1

MODERN PROJECT MANAGEMENT

What is a Project?

- **Project** - temporary endeavor undertaken to create a unique product, service, or result
 - Complex
 - Non-routine
 - One-time effort
 - Limited by:
 - Time
 - Resources
 - Performance
- 5 Characteristics of a project
 - (1) An established objective
 - (2) A defined life span with a beginning and an end
 - (3) Requires across organizational participation (holistic)
 - (4) Doing something that has never been done before
 - (5) Specific time, cost, and performance requirements
- What a project is NOT
 - NOT every day work
 - NOT routine or repetitive
 - Project is only done once
 - A new project or service exists when the project is completed

Comparison of Routine Work with Projects	
Routine, Repetitive Work	Projects
• Taking class notes • Daily entering sales receipts into the accounting ledger • Responding to a supply-chain request • Practicing scales on the piano • Routine manufacture of an Apple iPod	• Writing a term paper • Setting up a sales kiosk for a professional accounting meeting • Developing a supply-chain information system • Writing a new piano piece • Designing an iPod that is approximately 2X4 inches, interfaces with PC, and stores 10,000 songs

- **Program** - a group of related, multiple projects designed to accomplish a common goal over an extended period of time
- Program vs. Project - primarily lie in scale and time
 - **Program Management** - process of managing a group of ongoing, interdependent, related projects in a coordinated way to achieve strategic objectives
 - Pharmaceutical company has a program for curing cancer
 - Program includes ALL cancer projects that continue over an extended time horizon

Downloading Bmgt 485 Operations And Project Management For Information Systems provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Bmgt 485 Operations And Project Management For Information Systems has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Bmgt 485 Operations And Project Management For Information Systems. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Bmgt 485 Operations And Project Management For Information Systems. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Bmgt 485 Operations And Project Management For Information Systems, users should also consider the

potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Bmgt 485 Operations And Project Management For Information Systems has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
