popular myth only two days after the city had fallen and Gordon had been killed Colonel Mike Snook's narrative is characterized by scrupulous attention to detail an instinctive grasp of the period and an intimate understanding of its setting The author argues compellingly that the Khartoum campaign was mismanaged from the outset The outcome is the exoneration of Colonel Sir Charles Wilson the man cast in the role of scapegoat and an indictment of Wolseley's generalship over the course of the last and most deeply flawed campaign of his career Full review available at <http://www.warhistoryonline.com/reviews/beyond-reach-empire-wolseleys-failed-campaign-save-gordon-khartoum-review-mark-barnes.html> please copy and paste into your browser As featured in Wye Local Magazine The National Company for Boat Building by Machinery (Limited).
