Bob Pierce This One Thing I Do:

Bob Pierce, this One Thing I Do Franklin Graham, Jeanette W. Lockerbie, 1983 **Billy Graham** Greg Laurie, 2021-04-13

Billy Graham Was the World's Best Known Evangelist Loved and Admired by Millions But Very Few Knew Him Personally Pastor and bestselling author Greg Laurie was one of those fortunate few blessed with an insider's view of Billy Graham's world for more than two decades With the same painstaking research and eye for detail that distinguishes his previous biographies *Steve McQueen Salvation of an American Icon* and *Johnny Cash The Redemption of an American Icon* Laurie now turns to the life of his beloved mentor offering the intimate perspective of a disciple and friend As a strapping North Carolina farm boy Graham surrendered his life to Jesus at a camp meeting led by a blustery itinerant preacher but he never lost the mischievous twinkle in his eye or his fun loving air Laurie sheds light on Graham's lesser known struggles such as a broken heart before he met the love of his life and a crisis of faith from which he emerged stronger than ever From the evangelist's private challenges and public successes to his disappointments and joys *Billy Graham The Man I Knew* provides a vivid portrait of one of history's most remarkable Christian lives *Waiting* Ben Patterson, 1990-12-04 Exploring the lives of Abraham and Job Ben Patterson offers insight and practical comfort for those who wait Child Sponsorship B. Watson, M. Clarke, 2014-08-19 This book reviews the remarkable growth diversity and challenges of child sponsorship It features the latest progress in child sponsorship practice and necessary tensions experienced by some organisations as they seek to maximise impact **God's Internationalists** David P. King, 2019-04-11 Over the past seventy years World Vision has grown from a small missionary agency to the largest Christian humanitarian organization in the world with 40 000 employees offices in nearly one hundred countries and an annual budget of over 2 billion While founder Bob Pierce was an evangelist with street smarts the most recent World Vision U S presidents move with ease between megachurches the boardrooms of Fortune 500 companies and the corridors of Capitol Hill Though the organization has remained decidedly Christian it has earned the reputation as an elite international nongovernmental organization managed efficiently by professional experts fluent in the language of both marketing and development *God's Internationalists* is the first comprehensive study of World Vision or any such religious humanitarian agency In chronicling the organization's transformation from 1950 to the present David P King approaches World Vision as a lens through which to explore shifts within post World War II American evangelicalism as well as the complexities of faith based humanitarianism Chronicling the evolution of World Vision's practices theology rhetoric and organizational structure King demonstrates how the organization rearticulated and retained its Christian identity even as it expanded beyond a narrow American evangelical subculture King's pairing of American evangelicals interactions abroad with their own evolving identity at home reframes the traditional narrative of modern American evangelicalism while also providing the historical context for the current explosion of evangelical interest in global social engagement By examining these patterns of change *God's Internationalists* offers a distinctive angle on the history of

religious humanitarianism Examining Billy Graham's Theology of Evangelism Thomas P. Johnston, 2003-03-12 Examining Billy Graham's Theology of Evangelism was written to advance an unbiased understanding of Billy Graham's theology and practice Theological examination of Graham's sermons revealed four distinct eras in his theology and practice The Early Graham pre 1949 The Early Graham 1949 1955 The Middle Graham 1955 1965 The Later Graham 1965 present In each of these eras Graham portrayed a discernible and distinct approach to defining evangelism theological nomenclature and cooperative strategy No literature on Billy Graham discusses in combination this evolution in Graham's theology and practice You are invited to take a fresh look at the teaching and practice of this man who has touched millions of lives through the proclamation of the Gospel of Jesus Christ **Religion and the Cold War** Philip Emil Muehlenbeck, 2012 The influence of faith in the conflicts that defined the Cold War *Created for a Purpose Gift Edition* Darlene Sala, 2013-05-01 Ever struggle with the burdens of life You're not alone and author Darlene Sala's *Created for a Purpose* shows how much God loves women just like you This attractive new gift edition of *Created for a Purpose* will remind you that the heavenly Father loves you completely whatever battles and struggles you're facing whatever doubts and fears nag you And God has a special purpose in mind for you to create eternal beauty in your life through all of the sorrows and joys you experience

Facing West David R. Swartz, 2020 In 1974 nearly 3 000 evangelicals from 150 nations met at the Lausanne Congress on World Evangelization Amidst this cosmopolitan setting and in front of the most important white evangelical leaders of the United States members of the Latin American Theological Fraternity spoke out against the American Church Fiery speeches by Ecuadorian Ren Padilla and Peruvian Samuel Escobar revealed a global weariness with what they described as an American style of coldly efficient mission wedded to myopic right leaning politics Their bold critiques electrified Christians from around the world The dramatic growth of Christianity around the world in the last century has shifted the balance of power within the faith away from the traditional strongholds of Europe and the United States to the Global South To be sure Western missionaries have carried religion abroad but the line of influence has often run the other way David R Swartz demonstrates that evangelicals in the Global South spoke frankly to American evangelicals on matters of race imperialism theology sexuality and social justice From the left they have pushed for racial egalitarianism ecumenism and more substantial development efforts From the right they have advocated for a conservative sexual ethic They forced American Christians to think more critically about their own assumptions The United States is just one node of a sprawling global network that includes Korea India Switzerland the Philippines Guatemala Uganda and Thailand Telling stories of the diverse array of evangelicals around the world Swartz shows that evangelical networks don't only extend outward but back home from the ends of the earth The One Another Project Wayne Hoag, 2012 Outside of his love for God and his family Pastor Wayne Hoag's greatest love is for the Body of Christ For forty three years he has been a shepherd of God's flock The past twenty nine years he has served Sierra Bible Church in the mountain town of Truckee California Several years ago his

attention was drawn to the New Testament admonitions that call God's children to either be or do something for their fellow believers in the local church. In fact, the call appears a total of twenty-nine times. Upon further study, Wayne became convinced that the twenty-nine one-another admonitions were God's unique strategy to shape and mold His children into the image of His Son. He began to see that following the work of salvation in one's life, God then placed the new believer in a local fellowship where they would be further shaped and refined by and through their life with other believers. That is when the One Another Project was born. The Project was originally a ten-week series of sermons that were then further explored in weekly home study groups. The questions that were asked and explored in the small groups are listed at the end of each chapter. Pastor Wayne has not only taught these truths to his Truckee congregation but also to others who want to more fully understand God's strategy of the One Another call. For further information and discussion about this topic, please visit www.oneanotheronline.org. The key verse for this study is Romans 12:5, so we who are many are one body in Christ and individually members of one another. As you read, may you grow in your understanding of just how much you need your brothers and sisters in Christ.
