Body Of Water:

Body of Water Adam Godfrey, 2025-09-23 For fans of Stephen King's *The Mist* and the HBO hit show *The Last of Us* comes a wildly inventive sinister thriller following an estranged father and daughter who find themselves trapped in a diner by a living body of water. Don't let the water drag you down. It's been six years since Glen Masters lost his wife in a tragic accident. In hopes of reconnecting with his grieving teenage daughter Lauren, he decides to take her on a road trip through the Appalachian mountains where he has fond memories of their past as a family. But what was supposed to be a quick diner pit stop suddenly transforms into a nightmare when armed men stumble in ranting about a mysterious and deadly living water that attacked several people up the road. The story the men spin seems to be the rantings of drunken lunatics, but soon Glen, his daughter, and the other diners find themselves hostages to both the gunmen and the inexplicably terrifying entity. Because there's truly something wrong with the water and it has no mercy. Panic grows as the diners play witness to a nature-defying being that seeks only to swallow everything in its path. With help nowhere in sight, the group of strangers must work together to devise an escape and ultimately Glen will have to face his worst fears to reconcile with the past or risk losing everything. A chilling story from a brand new voice in fiction, *Body of Water* explores the complicated nature of grief, terror, and the ghosts we must confront to survive.

Body of Water Daniel J. Boyne, 2023-05-01 When the body of an ex-Harvard rower is found floating in the Charles River, Boston state trooper Sean Delaney is put on the case to determine whether the drowning is purely accidental. Is it really the result of a college prank gone wrong? Or are there other reasons to explain why the son of a preeminent Boston venture capitalist on the verge of his own brilliant career would throw himself from the Eliot Bridge? What begins as a routine inquiry suddenly turns into a full-blown murder investigation when the savvy chief coroner Sue Chasen determines that the autopsy looks suspicious. The unlikely pair find themselves pulled together in more ways than one as they uncover the privileged world of Ivy League rowing, family ties, money, and sex.

Body of Water Chris Dombrowski, 2016-09-19 A poet's memoir of taking an unplanned trip to the Bahamas and meeting a fishing guide who changed his life. A splendid book. Jim Harrison in *The New York Times Book Review*. Chris Dombrowski, a poet and passionate fly fisher, had a second child on the way and an income hovering perilously close to zero when he received a miraculous email: can't go, it's all paid for, just book a flight to Miami. Thus began a journey that would eventually lead to the Bahamas and to David Pinder, a legendary bonefishing guide. Bonefish are prized for their elusiveness and their tenacity. And no one was better at hunting them than Pinder, a Bahamian whose accuracy and patience were virtuosic. He knows what the fish think, said one fisherman before they think it. By the time Dombrowski meets him, though, Pinder has been abandoned by the industry he helped build. With cataracts from a lifetime of staring at the water and a tiny severance package after forty years of service, he watches as the world of his beloved bonefish is degraded by tourists he himself did so much to attract. But as Pinder's stories unfold, Dombrowski discovers a profound integrity and wisdom in the bonefishing guide's life. A poet and

Montana based fly fishing guide recounts his trip to the Bahamas where he met an aging guide who taught him about fish and life loosely links reflections on his experiences catching and releasing bonefish the history and geography of the Bahamas the construction of fishing rods stories he has told his children and the difference between fishing or hunting for sport and for dinner Kirkus Reviews Thematically complex finely wrought and profoundly life affirming Publishers Weekly starred review *Body of Water* Sarah Dooley,2011-10-25 Twelve year old Ember s trailer home has been burned in a fire set most likely by her best friend a boy whose father believes Ember s family are witches Yes Ember s mom reads Tarot cards as a business Ember s friend set the fire to warn the family before his dad did something worse to them The friend never intended to do so much damage Now the family is homeless and living in a campground They have no money Ember s beloved dog is missing School is going to start and Ember and her sister have no clean clothes no notebooks The only place Ember feels at peace is floating in the middle of the lake at the campground She has to make a fresh start Can she **Your**
