

Boeing IN PEACE & WAR

"If you want to know why Boeing has become the world's foremost aerospace organization, Eugene Bauer's insider's account explains it best... a major contribution to our understanding of this complex company."

Sean Rossiter

Aerospace Writer

"This book is about airplanes—but more importantly—about people. Bauer brings us the engaging story of a two-man operation in 1916, growing to become the largest and most respected aircraft manufacturing enterprise in the world."

Ancil H. Payne, President (ret.)

KING Broadcasting Co.

"The State of Washington was founded on pioneerism, and Boeing is a shining example of what Washington pioneers have accomplished. This book pays tribute not only to Boeing's founders, but also to the countless pioneers who worked at their sides to make the Boeing Company and the State of Washington what they are today."
