Birth Of The New Testament The Origin And Development Of The First Christian Generation:

The Birth of the New Testament Raymond F. Collins,1993 **The Making of the New Testament** Arthur G. Patzia,1995-05-25 In affirming the divine inspiration of Scripture we too often forget the human side of the story The narratives letters and Apocalypse of our New Testament were shaped by worn pens gripped by calloused ink stained fingers Their authors ears were more likely assaulted by the urban clatter of busy intersections and bustling markets than attuned to a still small voice Scrolls that bumped across cobbled Roman roads and pitched through rolling Mediterranean seas found their destination in stuffy dimly lit crowded Christian house churches in Corinth or Cenchreae There they were read aloud and reread handled and copied forwarded and collected studied and treasured Their ordinary story is true to their extraordinary message the mystery of the Word that became flesh The Making of the New Testament is a textbook study of the origin collection copying and canonizing of the New Testament documents Like shrewd detectives reading the subtle traces of evidence biblical scholars have studied the trail of clues and pieced together the story of these books **The Early Christian Centuries** Philip Rousseau,2014-06-06 Charting the first six hundred years of the Christian movement THE EARLY CHRISTIAN CENTURIES carries the reader from the world of second temple Judaism to the Byzantine age the rise of Islam and the beginnings of medieval European polities With a combination of rare tact and acuity Philip Rousseau takes the measure of a generation of scholarship on early Christianity and the late Roman world He stresses the importance of shifting historical consciousness the continuity and development of ideas and the urge for social respectability Paying the greatest attention to the inner components of Christian life the resulting story captures fully the major figures Paul the gospel writers the early apologists and the great figures of the patristic age including the Cappadocian Fathers Augustine and Gregory the Great **1-2 Thessalonians (Baker Exegetical Commentary on the New Testament)** Jeffrey A. D. Weima,2014-11-11 Find academic sophistication pastoral sensitivity and accessibility in the award winning BECNT series In this addition to the critically acclaimed BECNT series respected New Testament scholar Jeffrey Weima offers pastors students and teachers the most up to date and substantive commentary available on 1 2 Thessalonians Weima a Thessalonians expert experienced teacher and widely traveled speaker presents well informed evangelical scholarship at an accessible level to help readers understand the sociological historical and theological aspects of these letters As with all BECNT volumes this informative balanced commentary features Detailed interaction with the Greek text Extensive research Chapter by chapter exegesis A blend of scholarly depth and readability An acclaimed user friendly design The BECNT series aims for academic sophistication with pastoral sensitivity and accessibility making it a useful tool for pastors church leaders students and teachers **Jews Or Christians?** Giorgio Jossa,2006 When was Christianity born When was it that Christianity born as a particular current within Judaism constituted itself as a religion different and separate from the Jewish religion The question has been asked and the problem has therefore been considered since the historical critical investigation of Christian origins

began However the problem has become acute only in the last few decades because of the occurrence of a whole series of circumstances and of reflections that have deeply changed the historiographic understanding regarding Judaism in the first century and thus the origins of Christianity as well Traditional opinion considered the founders of Christianity to be Jesus of Nazareth and Paul of Tarsus Recent studies however affirm that a Christian religion as distinct from the Jewish religion can be spoken of only much later and that for the entire first century and for at least a part of the second century Christianity was nothing more than a sect within Judaism Dealing with the problem from an historical point of view and thus considering not only Christianity of Jewish origin but also that of gentile origin Giorgio Jossa demonstrates that the birth of a Christian identity as distinct from Jewish identity must actually be dated back to the first period of life of the community of Jesus

Encountering the New Testament (Encountering Biblical Studies) Walter A. Elwell, Robert W.

Yarbrough, 2022-11-15 Studying the New Testament can be an exciting and intimidating experience This readable survey is designed to make the adventure less daunting and more rewarding Two experienced classroom teachers offer a new edition of their bestselling and award winning textbook over 250 000 copies sold This fourth edition takes into account the dramatic shift in the global Christian population Other distinguishing features include abundant images maps and charts all in full color sidebars that address ethical and theological concerns and provide primary source material focus boxes isolating key issues chapter outlines learning objectives and summaries and study questions An accompanying website through Baker Academic s Textbook eSources offers an array of resources for students and professors Resources for students include flash cards and self quizzes Resources for professors include discussion questions and a test bank **The Eschatology of First**

Thessalonians David Luckensmeyer, 2013-03-06 David Luckensmeyer gelingt durch die Untersuchung der eschatologischen Motive ein hervorragender Zugang zum ersten Thessalonicherbrief Er analysiert die grundlegenden Richtungen des enthaltenen Diskurses erstmalig und verdeutlicht sowohl die Rhetorik wie auch die Briefstruktur des 1 Briefes an die Thessalonicher Durch diese Zugangsweise lassen sich die verschiedenen eschatologischen Motive als Teil einer systematischen Aufforderung des Verfassers an eine Gemeinde verstehen die einen Konflikt zu bestehen hat Luckensmeyer verdeutlicht die Eschatologie als den besten hermeneutischen Schlüssel um die systematischen Aspekte des Briefes zu interpretieren Es besteht kein Zweifel Eschatologische Motive sind im Brief vorhanden etwa in 1 9 10 2 13 16 4 13 18 oder 5 1 11 Der Frage auf welche Weise diese Motive die Absichten des Paulus in seinem Schreiben verdeutlichen widmet sich Luckensmeyer ganz besonders Paulus kann verständlich machen warum die Thessalonicher im Konflikt leben und sie zugleich zu einem neuen Verständnis von Gemeinde ermutigen Die ausführliche Bibliographie gibt einen guten Überblick über die neueste Sekundärliteratur und verschiedene Register erleichtern den Zugang **Radical Martyrdom and Cosmic Conflict in Early Christianity** Paul Middleton, 2006-06-30 Several views of martyrdom co existed in the early Church The orthodox position generally accepted by scholars was that a Christian should choose martyrdom rather than deny the Faith

but should not on any account court death Although it has been recognised that some in the early Church did seek a glorified death by giving themselves over to arrest most scholars have dismissed such acts as differing from the accepted attitude to martyrdom in the early Church Therefore instances of volitional or radical martyrdom have been largely overlooked or sidelined in scholarly investigations into the theology and origins of Christian martyrdom Paul Middleton argues that far from being a deviant strand of early Christianity radical martyrdom was a significant and widely held idealised form of devotion in the late first to early third centuries Christian martyrdom is placed within the heritage of Jewish War tradition with each martyr making an important contribution to the cosmic conflict between Satan and God Radical Martyrdom re examines the presentation theology and origins of Christian martyrdom up to the beginning of the Decian persecutions in the light of new perspectives on the subject *Sacra Pagina: First and Second Thessalonians* Earl J. Richard, 2021-03-04 The letters First and Second Thessalonians are traditionally associated with the Pauline foundation of the Macedonian Church at Thessalonica The first is seen as representing Paul s earliest epistolary efforts and as providing two successive moments in his long relationship as advisor to that community Soon after leaving the area for the southern province of Achaia Paul addresses the concerns of the new Gentile converts and at a later period responds more directly to queries received from the thriving and successful community The second document written in Paul s name and at a later date attempts to calm the apocalyptic fervor of the community by reiterating its traditional eschatological and Christological teaching After treating these introductory matters this study provides a new translation of each section of the canonical text explains in notes the pertinent textual and linguistic features of the text and then offers in a series of interpretive messages a literary rhetorical and thematic analysis of the biblical documents The constant concern of this commentary is to provide assistance to modern readers in discerning the relationship between the authors and their intended readers Short bibliographies suggest other important modern studies 1 & 2 Thessalonians Jacob W. Elias, 1995-06-09 Jacob W Elias invites us to listen in while Paul and his missionary companions encourage and warn believers in ancient Thessalonica Elias shows Paul dealing pastorally with everyday concerns of church life while reminding his converts about the big picture What God has done through the death and resurrection of Jesus Christ will yet be brought to glorious completion The church has an active role to play in God s redemptive mission in the world Today apocalyptic biblical texts are often ignored or misused But Elias tells how the gospel proclaimed to the Thessalonians undergirds the nurture of churches marked by faith love and hope
