Information is Energy Lienhard Pagel, 2023-06-21 An objective dynamic and physically justified concept of information is elaborated starting from Shannon s concept of entropy and applied to information technology artificial intelligence consciousness and thermodynamics The justification of an information conservation theorem acquires practical significance in information technology especially as it moves into the quantum realm photonics quantum computing The unconditional dynamics of information and its objectivity are critically examined and are the foundations of the considerations We live in the information age but the concept of information is still not defined objectively and physically This book defines a dynamic concept of information that results in a conservation of information principle Just as the principle of conservation of energy is essential to understanding energy the principle of conservation of information leads to a deeper understanding of information Information is strongly related to entropy always in motion cannot disappear and is independent of subjects

A FINAL FLING Michael Whyatt Brookes, 2024-09-25 Being hosed down by the police in Paris falling overboard off La Rochelle making a forced landing in a glider near the C te d Azur and dangling from a stricken cable car over the Alps are a few of the events experienced by a group of mature English revelers Conceived one evening as a final fling by four men in their local pub the project results in a coach tour of France by thirty one villagers who argue fall in love put the world to rights and sometimes behave quite inappropriately for their age The tour is a comedy of errors but how will it all end

Master Your Next Move, with a New Introduction Michael D. Watkins, 2019-03-19 Your next professional move can make or break your career Are you ready In business especially today you are only as successful as your next career transition Do well and you ll be on the fast track to even more challenging roles Fail and you could irreparably harm your career and your organization In his international bestseller *The First 90 Days* transition guru Michael D Watkins outlined a set of basic principles for getting up to speed quickly in new professional roles Since that book was published Watkins has worked with thousands of leaders helping them to accelerate their transitions These leaders posed challenging questions on how to apply the basic principles in real life situations The truth that emerged the *First 90 Days* framework can be applied in every transition but the way you apply it is entirely different when you have been promoted to a higher level than it is when you are joining a new organization or taking a role in a different country *Master Your Next Move* answers a distinct need focusing on the most common types of transitions leaders face and the unique challenges posed by each Based on years of research and now with a new introduction this indispensable book explores eight crucial transitions virtually everyone encounters during their career including promotion leading former peers onboarding into a new company making an international move and turning around a business in crisis With real world examples and many practical models and tools *Master Your Next Move* is your

guide to surviving and thriving as you make your next move and every one after that Galileo in Pittsburgh Clark Glymour, 2010-03-15 What did the trial of Galileo share with the trial for fraud of the foremost investigator of the effects of lead exposure on children's intelligence In the title essay of this rollicking collection on science and education Clark Glymour argues that fundamentally both were disputes over what methods are legitimate and authoritative From testing the expertise of NASA scientists to discovering where software goes to die to turning educational research upside down Glymour's reports from the front lines of science and education read like a blend of Rachel Carson and Hunter S Thompson Contrarian and original he criticizes the statistical arguments against Teach for America argues for teaching the fallacies of Intelligent Design in high school science places contemporary psychological research in a Platonic cave dug by Freud and gives and rejects a fair argument for a self-interested nationalist response to climate change One of the creators of influential new statistical methods Glymour has been involved in scientific investigations on such diverse topics as wildfire prediction planetary science genomics climate studies psychology and educational research Now he provides personal reports of the funny the absurd and the appalling in contemporary science and education More bemused than indignant Galileo in Pittsburgh is an ever-engaging call to rethink how we do science and how we teach it *The Ferry Girls* Rosie Archer, 2017-06-15 A heartwarming saga of secrets friendships and wartime spirit at the height of World War 2 For fans of Daisy Styles Sheila Newberry and Lyn Andrews A young German girl finds friendship camaraderie and even love while working on Hampshire's south coast ferries but will her new friends desert her if her nationality comes to light A gripping story packed with darkness and light love and friendship greed and betrayal Lancashire Evening Post on *The Factory Girls* Vee Smith is 22 when she starts work on Gosport's ferries taking a job left vacant by the men gone off to war She soon makes friends with the other women workers and together they enjoy nights out dancing in Gosport keeping their spirits up despite the hard work rationing and heavy bombing Vee even feels herself falling for Sam the skipper of the ferry and her unhappily married boss But Vee has a secret her real name is Violetta Schmidt and she is half German If her true nationality is discovered she and her mother could find themselves interned as enemy aliens if their German-hating neighbours or worse Eddie the man Vee ran away from after he got her false papers don't hurt them first Will Vee be able to keep her secret safe and find some peace with Sam and her friends even in the midst of war **Gumbo Lagniappe (You've Got to Be Kidding)** David J. Holcombe, 2020-02-17 GUMBO LAGNIAPPE You've Got to Be Kidding contains original plays many with public health themes but others dealing with our fascinating current political and social climate Several plays were written for this year's Spectral Sisters Productions Ten Minute Play Festival for which the theme was You've Got to Be Kidding thus the second part of the title A collection of selected recent medical essays some of which complement the plays also add to this literary gumbo as does a new translation by the author of Moliere's classic *Tartuffe* Together these new plays an old classic and some assorted medical essays offer lagniappe a little extra to the body of world literature This small town

Alexandria stuck in the middle of Louisiana and two hours drive at least from any larger city has the advantage of being like a tramp steamer isolated in the immensity of the Indian Ocean We have learned to entertain ourselves on the trip and this unlikely location has produced a host of plays from many other talented but unrecognized playwrights May creative energy continue to bubble forth from this curious location as far off Broadway as you can get but perhaps a bit closer to heaven My thanks to those who want to explore something new while supporting an undiscovered author from Central Louisiana *The Flood Girls* Richard Fifield,2016-02-02 Returning to her tiny Montana hometown where jaded locals refuse to let her make amends Rachel Flood who left behind a trail of chaos discovers herself and receives assistance from a local boy in her efforts to correct past mistakes **They Only Changed His Name** Bernard C. Baumbach Ph.D,2013-04-10 THEY ONLY

CHANGED HIS NAME is a fictionalized presentation of selected biographical events in the life of Bernard E Baumbach 1892 1981 It begins with an imaginative characterization of the circumstances that provoked his then unmarried father to emigrate from Germany in 1883 with an older brother They dreamed of becoming wealthy in the developing oil fields of Northwestern Pennsylvania When he was seventeen years old Bernard ventured to Central California with Earl a double cousin They too had dreamed of becoming wealthy For them it was to be as employees of The Standard Oil Company of California Their adjustments to their new circumstances were eased because of the help provided by Bernards older brother Albert who had made that same trip two years earlier The story chronicles his life as he matured into manhood which at first was a foreign country He grew up in a richly religious German neighborhood on the outskirts of Oil City PA Central California was strange also because there were no wooded hills and rushing rivers The desert like weather was yet another contending factor and the culture of California that provoked individuality and independence was daunting He joined the U S Marine Corps on May 22 1918 and served as a corporal in the Shore Patrol in France for four month prior to the Armistice and for eight months following Three months later he married Cordulla Julia Charlotte Becker of Pasadena CA He continued with Standard Oil of California until his retirement while garnering an exemplary record for safety as a driller The centerpiece of the story however is that of family his family on Dutch Hill in the Cornplanter Township in PA Julias family in Pasadena CA and Julias and his family of five children in Anaheim CA **Choirboy** Jamey Brzezinski,2019-05-25 Art professor James Allen has landed at a community college in California s Central Valley Tenured and chairman of the arts division in charge of art music and theatre he is pressured against his better judgment into hiring Albert Wayne Olsen to teach music and direct the college chorale Soon the extremely charming Professor Olsen is running roughshod over junior members of the music faculty and his younger students while currying favor with the older locally powerful members of the chorale Breaking rule after rule Olsen has conned the deans and vice president who turned a blind eye to his crimes of fraud embezzlement and sexual harassment Instead they accuse Allen of victimizing Olsen Maligned and slandered Professor Allen struggles with the question Will the truth ever come out about this incorrigible choirboy
