The Bitch in the House. Cathi Hanauer, 2003-09 **The Bitch in the House** Cathi Hanauer, 2003-09-16 Virginia Woolf introduced us to the Angel in the House now prepare to meet The Bitch In the House Women today have more choices than at any time in history yet many smart ambitious contemporary women are finding themselves angry dissatisfied stressed out Why are they dissatisfied And what do they really want These questions form the premise of this passionate provocative funny searingly honest collection of original essays in which twenty six women writers ranging in age from twenty four to sixty five single and childless or married with children or four times divorced invite readers into their lives minds and bedrooms to talk about the choices they ve made what s working and what s not With wit and humor in prose as poetic and powerful as it is blunt and dead on these intriguing women offer details of their lives that they ve never publicly revealed before candidly sounding off on The difficult decisions and compromises of living with lovers marrying staying single and having children The perpetual tug of war between love and work family and career The struggle to simultaneously care for ailing parents and a young family The myth of co parenting Dealing with helpless mates and needy toddlers The constrictions of traditional women s roles as well as the cliches of feminism Anger at laid back live in lovers content to live off a hardworking woman s checkbook Anger at being criticized for one s weight Anger directed at their mothers right and wrong And well more anger This book was born out of anger begins Cathi Hanauer but the end result is an intimate sharing of experience that will move amuse and enlighten The Bitch in the House is a perfect companion for your students as they plot a course through the many voices of modern feminism This is the sound of the collective voice of successful women today in all their anger grace and glory From The Bitch In the House I believed myself to be a feminist and I vowed never to fall into the same trap of domestic boredom and servitude that I saw my mother as being fully entrenched in never to settle for a life that was as I saw it lacking independence authority and respect E S Maduro page 5 Here are a few things people have said about me at the office You re unflappable Are you ever in a bad mood Here are things people okay the members of my family have said about me at home Mommy is always grumpy Why are you so tense You re too mean to live in this house and I want you to go back to work for the rest of your life Kristin van Ogtrop page 161 I didn t want to be a bad mother I wanted to be my mother safe protective rational calm without giving up all my anger because my anger fueled me Elissa Schappell page 195

The Bitch in the House Cathi Hanauer, 2003 Funny passionate angry and provocative this book is a no holds barred look at working women s lives today Here 26 women ranging in age from 24 to 67 and singles and childless or married with children or four times divorced offer details of their lives that they ve never publicly revealed They talk about choices they ve made their relationships families frustrations and hopes For some the conflicts involve the stresses of juggling motherhood and a career for others the feeling of not wanting children or the fear that they ve left it too late back cover **Bitch in the House: 26 Women Tell the Truth about Sex, Solitude, Work, Moth** Cathi Hanauer, 2003-09-01 Original essays by

contemporary women of all ages consider what they have learned in the past 20 years of their lives in a collection that addresses such topics as careers sex motherhood self esteem power and relationships *Gone* Cathi Hanauer,2013-03-12 Celebrating the achievement of a successful career only to be abandoned by her failed sculptor husband Eve Adams struggles to raise her children alone while balancing conflicting demands the realities of midlife and her evolving views on forgiveness and letting go **The Meaning of Michelle** Veronica Chambers,2017-01-10 A NEW IN NONFICTION PEOPLE PICK A TIME TOP 10 NONFICTION BOOK OF 2017 NAMED A BEST BOOK OF 2017 BY The Huffington Post Glamour Bustle RedEye A Los Angeles Times bestseller One of BookRiot s 11 Books to Help Us Make It Through a Trump Presidency One of The Guardian s Essentials for Black History Month Whenever I think about Michelle Obama I think When I grow up I want to be just like her I want to be that intelligent confident and comfortable in my own skin Roxane Gay Even after eight years of watching them daily in the press the fact that the most powerful man in the world is a Black man is still breathtaking to me The fact that he goes home to a tight knit loving family headed by a Black woman is soul stirring That woman is Michelle Michelle That name now carries a whole world of meaning From the Preface by Ava DuVernay Michelle Obama is unlike any other First Lady in American History From her first moments on the public stage she has challenged traditional American notions about what it means to be beautiful to be strong to be fashion conscious to be healthy to be First Mom to be a caretaker and hostess and to be partner to the most powerful man in the world What is remarkable is that at 52 she is just getting started While many books have looked at Michelle Obama from a fashion perspective no book has fully explored what she means to our culture The Meaning of Michelle does just that while offering a parting gift to a landmark moment in American history In addition to a tribute to Michelle Obama this book is also a rollicking lively dinner party conversation about race class marriage creativity womanhood and what it means to be American today Contributors include Ava DuVernay Veronica Chambers Benilde Little Damon Young Alicia Hall Moran and Jason Moran Brittney Cooper Ylonda Gault Caviness Chirlane McCray Cathi Hanauer Tiffany Dufu Tanisha Ford Marcus Samuelsson Sarah Lewis Karen Hill Anton Rebecca Carroll Phillipa Soo and Roxane Gay **Feminist Frameworks and the Bible** L. Juliana Claassens,Carolyn J. Sharp,2017-10-19 This volume on intercultural biblical interpretation includes essays by feminist scholars from Botswana Germany New Zealand Nigeria South Africa and the United States Reading from a rich variety of socio cultural locations contributors present their hermeneutical frameworks for interpretation of Hebrew Bible texts each framework grounded in the writer s journey of professional or social formation and serving as a prism or optic for feminist critical analysis The volume hosts a lively conversation about the nature and significance of biblical interpretation in a global context focusing on issues at the nexus of operations of power textual ambiguity and intersectionality Engaged here are notions of biblical authority and postures of dissent women s agency discernment rivalry and alliance in ancient and contemporary contexts ideological constructions of sexuality and power interpretations related to indigeneity racial identity interethnic intimacy and

violence in colonial contexts theologies of the feminine divine and feminist understandings of the sacred convictions about interdependence and conditions of flourishing for all beings in creation and ethics of resistance positioned over against dehumanization in political theological and hermeneutical praxes Through their textual and contextual engagements contributors articulate a broad spectrum of feminist insights into the possibilities for emancipatory visions of community

Cultivating Conscience Lynn Stout, 2010-10-04 How the science of unselfish behavior can promote law order and prosperity Contemporary law and public policy often treat human beings as selfish creatures who respond only to punishments and rewards Yet every day we behave unselfishly few of us mug the elderly or steal the paper from our neighbor's yard and many of us go out of our way to help strangers We nevertheless overlook our own good behavior and fixate on the bad things people do and how we can stop them In this pathbreaking book acclaimed law and economics scholar Lynn Stout argues that this focus neglects the crucial role our better impulses could play in society Rather than lean on the power of greed to shape laws and human behavior Stout contends that we should rely on the force of conscience Stout makes the compelling case that conscience is neither a rare nor quirky phenomenon but a vital force woven into our daily lives Drawing from social psychology behavioral economics and evolutionary biology Stout demonstrates how social cues instructions from authorities ideas about others selfishness and unselfishness and beliefs about benefits to others have a powerful role in triggering unselfish behavior Stout illustrates how our legal system can use these social cues to craft better laws that encourage more unselfish ethical behavior in many realms including politics and business Stout also shows how our current emphasis on self interest and incentives may have contributed to the catastrophic political missteps and financial scandals of recent memory by encouraging corrupt and selfish actions and undermining society's collective moral compass This book proves that if we care about effective laws and civilized society the powers of conscience are simply too important for us to ignore

Scarcity Sendhil Mullainathan, Eldar Shafir, 2013-09-03 In this provocative book based on cutting edge research Sendhil Mullainathan and Eldar Shafir show that scarcity creates a distinct psychology for everyone struggling to manage with less than they need Busy people fail to manage their time efficiently for the same reasons the poor and those maxed out on credit cards fail to manage their money The dynamics of scarcity reveal why dieters find it hard to resist temptation why students and busy executives mismanage their time and why the same sugarcane farmers are smarter after harvest than before Once we start thinking in terms of scarcity the problems of modern life come into sharper focus and *Scarcity* reveals not only how it leads us astray but also how individuals and organizations can better manage scarcity for greater satisfaction and success

What's It All About? Julian Baggini, 2020-03-31 Secular minded readers seeking an alternative to The Purpose Driven Life have an excellent starting point here Publishers Weekly For readers who are serious about confronting the big issues in life but are turned off by books which deal with them through religion spirituality or psychobabble this is an honest intelligent discussion by a philosopher that doesn't hide from the difficulties or make undeliverable promises It aims

to help the reader understand the overlooked issues behind the obvious questions and shows how philosophy does not so much answer them as help provide us with the resources to answer them for ourselves Useful and provocative The Wall Street Journal Looking for a clear guide to what contemporary philosophy has to say about the meaning of life Baggini takes us through all the plausible answers weaving together Kierkegaard John Stuart Mill Monty Python and Funkadelic in an entertaining but always carefully reasoned discussion Peter Singer author of How Are We To Live The question of the meaning of life has long been a byword for pretentious rambling It takes some nerve to tackle it in a brisk and no nonsense fashion New Statesman
