Black Album The:

The Black Album Hanif Kureishi, 2010-03-04 Religion is for the benefit of the masses not for brain box types like you Those simpletons require strict rules for living otherwise they would still think the earth sits on three fishes But you mind wallahs must know it s a lot of balls An Asian kid from Kent goes to college in London and teams up with a sympathetic group of anti racists But it s 1989 the year of the fatwa and as Shahid begins a hedonistic affair with his lecturer his radical Muslim friends want to steer him away from the decadence of the West We re not blasted Christians We don t turn the other buttock We will fight for our people who are being tortured anywhere in Palestine Afghanistan Kashmir East End Hanif Kureishi s witty stage adaptation of his strikingly prescient and acclaimed novel *The Black Album* humorously considers how the events of 1989 have shaped today s world where fundamentalism battles liberalism A co production with Tara Arts *The Black Album* premiered at the National Theatre London in July 2009 *The Black Album with My Son the Fanatic* Hanif

Kureishi, 2009-08-04 Now available together for the first time two of the best works a novel and a short story from Ooscar nominated screenwriter Hanif Kureishi one of the most original celebrated and prophetic voices in British fiction and film First capturing the attention of audiences and critics in the 1980s with award winning works such as *The Buddha of Suburbia* and *My Beautiful Laundrette* and recently described by *The New York Times Magazine* as a kind of postcolonial Philip Roth Hanif Kureishi remains one of the most compelling artists of our time These stunningly prescient earlier works of Kureishi s are more timely and relevant than ever and they re now reissued in one volume *The Black Album* Kureishi s second novel is an exhilarating multicultural coming of age tale featuring Shalid a sex drugs and rock n roll loving Pakistani student torn between a love affair with a gorgeous free spirited college professor and his desire to please his conservative Muslim community In the story *My Son the Fanatic* which is also an award winning film Kureishi reveals the shifting values between a father and son two generations of immigrants struggling between assimilation and separatist fundamentalism Praised as an author who fully entertains while addressing wickedly complex social issues *San Francisco Chronicle* Kureishi infuses these deft and vivid stories with his love of non conformity and his understanding of the ties that bind us to family and culture

Black British Literature Mark Stein, 2004 In this fascinating book Mark Stein examines black British literature centering on a body of work created by British based writers with African South Asian or Caribbean cultural backgrounds Linking black British literature to the bildungsroman genre this study examines the transformative potential inscribed in and induced by a heterogeneous body of texts Capitalizing on their plural cultural attachments these texts portray and purvey the transformation of post imperial Britain Stein locates his wide ranging analysis in both a historical and a literary context He argues that a cross cultural and interdisciplinary approach is essential to understanding post colonial culture and society The book relates black British literature to ongoing debates about cultural diversity and thereby offers a way of reading a highly popular but as yet relatively uncharted field of cultural production With the collapse of its empire with large scale

immigration from former colonies and with ever increasing cultural diversity Britain underwent a fundamental makeover in the second half of the twentieth century This volume cogently argues that black British literature is not only a commentator on and a reflector of this makeover but that it is simultaneously an agent that is integral to the processes of cultural and social change Conceptualizing the novel of transformation this comprehensive study of British black literature provides a compelling analytic framework for charting these processes
