Black Blood John Meaney,2009-02-24 From John Meaney the author of Bone Song and the most important new SF writer of the 21st century comes a new novel Black Blood In it he offers his intoxicating blend of futuristic noir and gothic fantasy in a thriller that carries a cop with a personal vendetta across the barrier between life and death Here in a morbidly lush necropolis he must stop a conspiracy of killers whose power is fueled by spilling He s lucky to be alive That s what everyone tells him Except Tristopolitan police lieutenant Donal Riordan doesn t feel lucky and he isn t really alive In one horrific moment not even death can erase from memory Donal lost the woman he loved even as her ultimate sacrifice saved his life Now it s literally her heart that beats in his chest and her murder that Donal lives to avenge While being a zombie cop has its upsides including inhuman reaction time and razor sharp senses Donal s new undead status makes him the target of Tristopolis s powerful Unity Party whose startling rise to power is built on a platform of antizombie paranoia and persecution The Party is no friend to be sure but it s the secret cabal known as the Black Circle and their stranglehold on the city s elite that consume Donal s black heart For at the center of this ring of evil is the man responsible for his lover s murder a man Donal has already had to kill once before Now with ominous reports of white wolf sightings throughout the city and a dangerous sabotage attempt at police headquarters all signs indicate that the Black Circle is planning a magical coup d tat And the terror will begin with a political assassination triggered by a necroninja already hidden in a place no one expects For Donal it s no longer a matter of life and death but something far more serious How can he stop a killer who won t stay dead and an evil that death only makes stronger Times London

where she was born has nothing left to offer her and determined more than ever decides to start working on the article that will lead her to the top But she has not come to terms with the dark side of what appears to be a small joyful town Those stories that have been passed down over the centuries maybe are something more than urban legends and the truth sometimes is not like it is told Will Rebecca succeed in shedding light on the secrets that slowly are coming to the surface And will her heart clear up or will it be trapped in between reality and fantasy Rebecca still doesn't know but her life is about to change Sometimes you get angry when you have something to hide And when you have something to hide it means secrets are real Rebecca Janette Cross Reb for friends is an ambitious journalist determined to find the news that will lead her to write a sensational article with which she'll reach the success and be able to leave Hazycreek the town that saw her birth When she'll sneak in the mansion of the feared Winterbourne she'll meet the obscure and charming Sebastian the only son heir of the powerful dynasty The young man with his seducing charme and mastery of not answering Reb's questions will manage to break all the certainties the girl had on what she thought she knew about her fellow citizens leading her to start a grueling battle with herself Hovering between the blinding as well as inexplicable passion for Sebastian and the certainty that something darkly malignant is moving in between Hazycreek's citizens Reb will seek for an answer to all of her questions that instead of being solved are increasing more and more A struggle between body and mind heart and reason right and wrong will challenge her beliefs and her toughness in solving her town's mystery And when she'll discover the truth behind those secrets Rebecca's life won't ever be the same
