Birth, Death & InBetween Arlene Corwin, 2013-01-25 Birth Death one is grieved one wonders at the disappearance the invisibility the untimeliness what was before what may come after No longer a matter of death and dying but of birth death and the in between The speechlessness turns into a need to speak You don't put together a collection of poetry overnight There is no arbitrary subject There are threads A collection is a matter of emphasis accentuation and priority One's generation begins to go the whole of the sidewalk full of people coming at you will be gone in a hundred years not a person coming at you left If that is not a source of wonderment what is Birth Death InBetween is a collection of 300 some odd poems written over a period of 40 years observing examining questioning accepting the plain facts and the elusive nuances

Split-Gut Song Karen Jackson Ford, 2015-09-15 A deft study of the evolving literary aesthetic of one of the first avant garde black writers in America In Split Gut Song Karen Jackson Ford looks at what it means to be African American free and creative by analyzing Jean Toomer's main body of work specifically his groundbreaking creation Cane When first published in 1923 this pivotal work of modernism was widely hailed as inaugurating a truly artistic African American literary tradition Yet Toomer's experiments in literary form are consistently read in terms of political radicalism protest and uplift rather than literary radicalism Ford contextualizes Toomer's poetry letters and essays in the literary culture of his period and through close readings of the poems shows how they negotiate formal experimentation imagism fragmentation dialect and traditional African American forms slave songs field hollers call and response sermons lyric poetry At the heart of Toomer's work is the paradox that poetry is both the saving grace of African American culture and that poetry cannot survive modernity This contradiction Ford argues structures Cane wherein traditional lyric poetry first flourishes then falters then falls silent The Toomer that Ford discovers in Split Gut Song is a complicated contradictory poet who brings his vexed experience and ideas of racial identity to both conventional lyric and experimental forms Although Toomer has been labelled a political radical Ford argues that politics is peripheral in his experimental stream of consciousness work Rather Toomer exhibits a literary radicalism as he struggles to articulate his perplexed understanding of race and art in 20th century America
