Brown, 1978 **The Birth of the Messiah** Raymond Edward Brown (p.s.s.), 1977 **The Birth of Jesus the Messiah** Edward C. Visser, 2017-02-24 People love to hear the familiar Christmas stories during the season of Advent No matter how creative one might be with different approaches to Christmas preaching for most it just doesn't seem the same without angels and shepherds and magi without Mary and Joseph and even wicked king Herod and certainly without the child born in the manger This leaves the preacher with four chapters of the scriptures Matthew 12 and Luke 12 as the primary resources for the season Preaching from these chapters for three years much less thirty years is a challenge We are either left with preaching the same sermons sometimes under different titles or we need to think about Christmas preaching more creatively The Birth of Jesus the Messiah combines thematic commentary on the birth stories of Matthew and Luke with preaching and teaching ideas Biblical themes flowing through each birth narrative set forth by the Gospel writers themselves inspire fresh sermon series ideas for the Advent season Over thirty sermon series ideas include In the Shadow of Herod Advent at Risk Women in Jesus Genealogy Covenants for Christmas Lukes Symphony Angels in Advent Don't Be Afraid Engage with The Birth of Jesus the Messiah as a fresh starting point and annual resource for planning your Advent and Christmas preaching **Judaism of the Second Temple Period** David Flusser, 2007 David Flusser was a very prolific scholar of the Dead Sea Scrolls and his contributions to Scrolls research apocalypticism and apocalyptic literature are inestimable With this English translation of many of his essays Flusser's insights are now available to a wider audience than ever before Here Flusser examines the influence of apocalypticism on various Jewish sects He states that the teachings of Jesus while reflecting first and foremost the views of the sages were also influenced by Jewish apocalypticism Examining the Essenes their effect on Hebrew language the split of sects and much more Flusser's collected essays offer an important source of study for any Dead Sea Scrolls scholar Publisher **The Birth of the Messiah** Raymond Edward Brown, 1993 **The Death of the Messiah and the Birth of the New Covenant** Michael J. Gorman, 2014-06-27 In this groundbreaking book Michael Gorman asks why there is no theory or model of the atonement called the new covenant model since this understanding of the atonement is likely the earliest in the Christian tradition going back to Jesus himself Gorman argues that most models of the atonement overemphasize the penultimate purposes of Jesus' death and the mechanics of the atonement rather than its ultimate purpose to create a transformed Spirit-filled people of God The New Testament's various atonement metaphors are part of a remarkably coherent picture of Jesus

death as that which brings about the new covenant and thus the new community promised by the prophets which is also the covenant of peace Gorman therefore proposes a new model of the atonement that is really not new at all the new covenant model He argues that this is not merely an ancient model in need of rediscovery but also a more comprehensive integrated participatory communal and missional model than any of the major models in the tradition Life in this new covenant Gorman argues is a life of communal and individual participation in Jesus faithful loving peacemaking death Written for both academics and church leaders this book will challenge all who read it to re think and re articulate the meaning of Christ s death for us The Birth of the Messiah Steve Laureanti,2024-08-14 How often do we celebrate Christmas and feel like we ve missed something Most of us understand that it s really about Jesus but do we really take the time to think about the prophecy and meaning of His birth In an explanatory and critical thinking style Steve Laureanti takes us on a 31 day journey to explore this from a practical and theological perspective Using the biblical text itself Part 1 lays the foundation of the deity of Jesus who was not created but existed with God the Father and the Holy Spirit in eternity past and introduces John the Baptist as the forerunner and witness to Jesus the Messiah Part 2 focuses on the Old Testament prophecies about John the Baptist the angel Gabriel s announcement to Zechariah that John would be the forerunner and witness to the Messiah and Zechariah s prophecy about the coming Messiah Part 3 focuses on the prophecy and arrival of the promised Messiah including Mary s song of praise the birth of Jesus the multitude of angels appearing to the shepherds and the wise men to announce the Messiah s birth Each day of this devotional includes Bible verses to guide you through each part including insightful analysis and additional scripture to consider in this theological journey of the prophecy and birth of the Messiah

The Virgin Birth of Christ J Gresham Machen,2022-07-28 In what remains a widely discussed issue in contemporary theology J Gresham Machen s *The Virgin Birth of Christ* acts as both an introduction to the subject and a window into American Princeton theology in the early twentieth century Machen undertakes an encyclopaedic study of the different perspectives on the virgin birth He begins with a close reading of the scriptural accounts comparing and contrasting the stories of Jesus birth told in Luke and Matthew Secular historical accounts are then considered as well as possible alternative theories including the likelihood of the story being of early Jewish or Pagan origin Machen s study was the definitive work on the virgin birth for the majority of the twentieth century and remains an invaluable resource both as an apologetic work and as a time capsule of theological progress
