Magic Blood - Dystopian Fantasy Romance (The Bree Somner Chronicles Book 1) S. A. Richards, 2019-10-25 A Dystopian Fantasy Romance She's on a mission Betrayed by her ex who broke her heart and her trust Bree Somner is focusing her energies on taking care of her family surviving and protecting humans from vampires trolls and demons in the new droid controlled world After finding out she's half mage Bree's got to hide her identity from witch hunters and the state while she proves her worth as a newly hired protector Working with the Protection Agency for Humans she's been tasked with finding the creature responsible for the string of deaths of human girls in the Forbidden Forest Bree has to race against the clock to capture someone or something responsible before it's too late with a sexy vampire watching her every move **The Inner World of Trauma** Donald Kalsched, 2014-02-25 Donald Kalsched explores the interior world of dream and fantasy images encountered in therapy with people who have suffered unbearable life experiences He shows how in an ironical twist of psychical life the very images which are generated to defend the self can become malevolent and destructive resulting in further trauma for the person Why and how this happens are the questions the book sets out to answer Drawing on detailed clinical material the author gives special attention to the problems of addiction and psychosomatic disorder as well as the broad topic of dissociation and its treatment By focusing on the archaic and primitive defenses of the self he connects Jungian theory and practice with contemporary object relations theory and dissociation theory At the same time he shows how a Jungian understanding of the universal images of myth and folklore can illuminate treatment of the traumatised patient Trauma is about the rupture of those developmental transitions that make life worth living Donald Kalsched sees this as a spiritual problem as well as a psychological one and in *The Inner World of Trauma* he provides a compelling insight into how an inner self care system tries to save the personal spirit *The Fae Side of Forty: An Enemies-to-Lovers Small Town Fantasy Romance* Jennifer L.
