Bitter And Sweet

Ellen Oxfeld

Bitter And Sweet:

Bitter and Sweet Ellen Oxfeld, 2017-05-23 Less than a half century ago China experienced a cataclysmic famine which was particularly devastating in the countryside As a result older people in rural areas have experienced in their lifetimes both extreme deprivation and relative abundance of food Young people on the other hand have a different relationship to food Many young rural Chinese are migrating to rapidly industrializing cities for work leaving behind backbreaking labor but also a connection to food through agriculture Bitter and Sweet examines the role of food in one rural Chinese community as it has shaped everyday lives over the course of several tumultuous decades In her superb ethnographic accounts Ellen Oxfeld compels us to reexamine some of the dominant frameworks that have permeated recent scholarship on contemporary China and that describe increasing dislocation and individualism and a lack of moral centeredness By using food as a lens she shows a more complex picture where connectedness and sense of place continue to play an important role even in the context of rapid change

All That Is Bitter and Sweet Ashley Judd, Maryanne Vollers, 2012-02-21 NEW YORK TIMES BESTSELLER From humanitarian and actress Ashley Judd comes an important and moving memoir Every reader will be inspired Bill Clinton Enlightening full of real life stories that reflect both the compassion of its author and the need for healing in the world Madeleine K Albright In 2002 award winning film and stage actor Ashley Judd found her true calling as a humanitarian and voice for those suffering in neglected parts of the world After her first trip to the notorious brothels slums and hospices of southeast Asia Ashley knew immediately that she wanted to advocate on behalf of the vulnerable During her travels Judd started to write diaries that detailed extraordinary stories of survival and resilience But along the way she realized that she was struggling with her own emotional pain stemming from childhood abandonment and abuse Seeking inpatient treatment in 2006 for the grief that had nearly killed her Judd found not only her own recovery and an enriched faith but the spiritual tools that energized and advanced her feminist social justice work In this deeply moving and unforgettable memoir Judd describes her odyssey from lost child to fiercely dedicated advocate from anger and isolation to forgiveness and activism In telling it she answers the ineffable question about the relationship between healing oneself and service to others
