Militarization and Violence Against Women in Conflict Zones in the Middle East Nādirah Shalhūb-Kīfūrkiyān,2009-05-07 An examination of the violence perpetrated against women in politically conflicted or militarized areas *Displacement and Dispossession in the Modern Middle East* Dawn Chatty,2010-03-15 Traces the history of refugees and migrants within a reconstructed twentieth century Middle East *The Plo* Jillian Becker,2014-03-20 The Palestine Liberation Organization was created by the Arab states as a weapon against Israel but most of its victims have been Arabs In Jordan it established itself as a rival power to the state and was forcibly expelled Its building up of an army in Lebanon led to civil war and Israeli military intervention until it was again expelled in June 1982 In 1982 and 1983 the author took herself into the midst of war to write this book journeying for many days on roads known to be mined and ambushed spent nights in rooms with glassless windows while shells exploded on all sides and explored the ruins of PLO strongholds in the wake of bombardments in order to find documents testimony and clues of all kinds to the history of the organization She interviewed members of the many different sides involved in the Israeli Palestinian conflict The result is a powerful book which explains the structure aims tactics and role in middle eastern and world politics of the PLO *The Journal of Historical Review* ,2001 **The Manpower Problem in Kuwait** Shamlan Y. Alessa,2017-08-17 The period since the Second World War saw a spectacular transformation of the Kuwaiti economy making it one of the world s major oil states with one of the highest per capita incomes This rapid transformation however has brought with it attendant problems This book first published in 1981 examines the critical issue of the Kuwaiti labour force some three quarters of it is expatriate labour and the Kuwaiti portion suffers from a high illiteracy rate Dr Alessa isolates the various factors responsible for Kuwait s manpower problems and puts forward a number of original solutions **Partitioning Palestine** John Strawson,2010-04-09 Law lies at the roots of the Palestinian Israeli conflict Jews sought a national home by Public Law while Palestinians reject the project as illegal Britain the League of Nations and the United Nations all mobilised international law to justify their interventions After the 1967 war Israel organised an occupation with excessive legalism that most of the world viewed in fact as illegal Partitioning Palestine focuses on three key moments in the Palestinian Israeli conflict the League of Nations Mandate the United Nations partition plan and the Oslo agreements None of these documents are neutral but rather encode a variety of meanings The book traces the way in which these legal narratives have both shaped national identity and sharpened the conflict In this pioneering text John Strawson argues that a committed attachment to the belief in legal justice has hampered the search for a settlement

Law far from offering conflict resolution has reinforced the trenches from which Palestinians and Israelis confront one another

Fratricide in the Holy Land Avner Falk, 2005-02-17 This is the first English language book ever to apply psychoanalytic knowledge to the understanding of the most intractable international struggle in our world today the Arab Israeli conflict Two ethnic groups fight over a single territory that both consider to be theirs by historical right essentially a rational matter But close historical examination shows that the two parties to this tragic conflict have missed innumerable opportunities for a rational partition of the territory between them and for a permanent state of peace and prosperity rather than perennial bloodshed and misery Falk suggests that a way to understand and explain such irrational matters is to examine the unconscious aspects of the conflict He examines large group psychology nationalism group narcissism psychogeography the Arab and Israeli minds and suicidal terrorism and he offers psychobiographical studies of Ariel Sharon and Yasser Arafat two key players in this tragic conflict today

Patriots and Profiteers R.T. Naylor, 2008-10-16 R T Naylor demonstrates that economic warfare fails almost everywhere it is attempted and that even when it succeeds it has consequences that are not only unintended but also frequently the precise opposite of their advertised result

The Rebirth of Antisemitism in the 21st Century David Hirsh, 2023-11-29 The Rebirth of Antisemitism in the 21st Century is about the rise of antizionism and antisemitism in the first two decades of the 21st century with a focus on the UK It is written by the activist intellectuals both Jewish and not who led the opposition to the campaign for an academic boycott of Israel Their experiences convinced them that the boycott movement and the antizionism upon which it was based was fuelled by and in turn fuelled antisemitism The book shows how the level of hostility towards Israel exceeded the hostility which is levelled against other states And it shows how the quality of that hostility tended to resonate with antisemitic tropes images and emotions Antizionism positioned Israel as symbolic of everything that good people oppose it made Palestinians into an abstract symbol of the oppressed and it positioned most Jews as saboteurs of social progress The book shows how antisemitism broke into mainstream politics and how it contaminated the Labour Party as it made a bid for Downing Street This book will be of interest to scholars and students researching antizionism antisemitism and the Labour Party in the UK
