To Make Our World

Anew: A History of African Americans Robin D. G. Kelley,Earl Lewis,2000-05-30 Written by the most prominent of the new generation of historians this superb volume offers the most up to date and authoritative account available of African American history ranging from the first Africans brought as slaves into the Americas to todays black filmmakers and politicians Here is a panoramic view of African American life rich in gripping first person accounts and short character sketches that invite readers to relive history as African Americans experienced it We begin in Africa with the growth of the slave trade and follow the forced migration of what is estimated to be between ten and twenty million people witnessing the terrible human cost of slavery in the colonies of England and Spain We read of the Haitian Revolution which ended victoriously in 1804 with the birth of the first independent black nation in the New World and of slave rebellions and resistance in the United States in the years leading up to the Civil War There are vivid accounts of the Civil War and Reconstruction years the backlash of notorious Jim Crow laws and mob lynchings and the founding of key black educational institutions The contributors also trace the migration of blacks to the major cities the birth of the Harlem Renaissance the hardships of the Great Depression and the service of African Americans in World War II the struggle for Civil Rights in the 1950s and 60s and the emergence of todays black middle class From Harriet Tubman and Frederick Douglass to Martin Luther King Jr and Louis Farrakhan To Make Our World Anew is an unforgettable portrait of a people

The Columbia Guide to African American History Since 1939 Robert L. Harris,Rosalyn Terborg-Penn,2006 A multifaceted approach to understanding the central developments in African American history since 1939 It combines a historical overview of key personalities and movements with essays on specific facets of the African American experience a chronology of events and a guide to further study From publisher description

[Into the Fire](#) Robin D. G. Kelley,1996-04-25 When something goes from bad to worse we say it fell out of the frying pan and into the fire This timeless phrases succinctly captures what has happened to the majority of African Americans since the 1970s The civil rights movement of the 1960s brought about remarkable gains for most black people and by 1970 African Americans were beginning to be key figures in national politics and in corporate board rooms The black middle class was decidedly growing and thus a handful of African Americans escaped the frying pan altogether But after 1970 heavy industry began to disappear as American companies looked to foreign lands for cheaper manufacturing Millions of jobs were lost The number of black poor began to grow dramatically city services declined federal spending on cities dried up affirmative action programs were dismantled blatant acts of racism began to rise again and the United States entered a deep economic recession But this decline is only part of the story Since 1970 the black community has resisted oppression struggled for power dealt with internal tensions and conflicts and profoundly shaped American culture This book explores a range of issues that the African American community faces in the late 20th century the rebirth

of black nationalism the emergence of a new black conservative movement the challenge of black feminism the impact of Caribbean immigration the rise of rap music and hip hop culture It looks at the impact on African American life of such diverse personalities as Roy Innis Toni Morrison Anita Hill Jimi Hendrix Louis Farrakhan Angela Davis Spike Lee Barbara Jordan Shirley Chisholm and Jesse Jackson among others Into the Fire will challenge and be challenged by readers of all ages and calls on our young people to exercise their power to determine the outcome of chapters yet to be written in the history of African Americans
