

Black Culture

Ellis Cashmore

Black Culture:

African American Culture Omari L. Dyson, Judson L. Jeffries Ph.D., Kevin L. Brooks, 2020-07-23 Covering everything from sports to art religion music and entrepreneurship this book documents the vast array of African American cultural expressions and discusses their impact on the culture of the United States According to the latest census data less than 13 percent of the U S population identifies as African American African Americans are still very much a minority group Yet African American cultural expression and strong influences from African American culture are common across mainstream American culture in music the arts and entertainment in education and religion in sports and in politics and business African American Culture An Encyclopedia of People Traditions and Customs covers virtually every aspect of African American cultural expression addressing subject matter that ranges from how African culture was preserved during slavery hundreds of years ago to the richness and complexity of African American culture in the post Obama era The most comprehensive reference work on African American culture to date the multivolume set covers such topics as black contributions to literature and the arts music and entertainment religion and professional sports It also provides coverage of less commonly addressed subjects such as African American fashion practices and beauty culture the development of jazz music across different eras and African American business

Black Culture and Black Consciousness the late Lawrence W. Levine, 2007-04-27 When Black Culture and Black Consciousness first appeared thirty years ago it marked a revolution in our understanding of African American history Contrary to prevailing ideas at the time which held that African culture disappeared quickly under slavery and that black Americans had little group pride history or cohesiveness Levine uncovered a cultural treasure trove illuminating a rich and complex African American oral tradition including songs proverbs jokes folktales and long narrative poems called toasts work that dated from before and after emancipation The fact that these ideas and sources seem so commonplace now is in large part due this book and the scholarship that followed in its wake A landmark work that was part of the cultural turn in American history Black Culture and Black Consciousness profoundly influenced an entire generation of historians and continues to be read and taught For this anniversary reissue Levine wrote a new preface reflecting on the writing of the book and its place within intellectual trends in African American and American cultural history

Dictionary of Black Culture Wade Baskin, Richard N. Runes, 1973

Jet, 2001-06-25 The weekly source of African American political and entertainment news

Black Culture Traditions Imelda Guyton Hunt, 2020-06-12 Black Culture Traditions Visible and Invisible helps students better understand the bedrock beliefs of black culture in America Through carefully selected articles students read valuable and foundational theory critically analyze popular and lesser known forms of black culture and learn how appropriation and performance has rendered certain aspects of black culture invisible The text underscores how the omission of relevant teachings about African Americans continues the injustices and racial inequality experienced in America The anthology features four distinct parts In Part I selected articles by Molefe

Asante Melville Herskovits and Amos Wilson discuss theories of Afrocentrism culture and psychology and shed light on many of the misnomers misconceptions and misunderstandings in black culture Part II focuses on the values that are part of the everyday lives and experiences of African Americans including religious beliefs ideas of right and wrong spending practices and class ideology In Part III students read about black culture traditions with emphasis on the family The final part discusses ideas related to beauty black creativity and the expression of values beliefs and traditions as aesthetics of black culture A powerful and enlightening collection Black Culture Traditions is an ideal text for courses in African American studies and cultural and ethnic studies

Am I Black Enough for You? Todd Boyd, 1997-03-22 The most creative moments of African American culture have always emanated from a lower class or ghetto perspective In contemporary society this ghetto aesthetic has informed a large segment of the popular marketplace from the incendiary nature of gangsta rap through the choreographed violence of films like Menace II Society to recurrent debates around the use of the word nigga and even the assertion of this perspective in professional basketball In each case most of the discussion around these cultural circumstances tends to be dismissive if not completely uninformed In analyzing the ranges of images from the O J Simpson trial to Snoop Doggy Dogg Am I Black Enough for You looks at the way in which the nuances of ghetto life get translated into the politics of popular culture and especially the way these politics have become such a profitable venture for both the entertainment industry and the actual producers of these topical narratives The book follows the widening generation gap represented by Bill Cosby s pristine race man image in the mid 80 s culminating in the proliferation of the hard core sentiments associated with the nigga in the 1990 s The book argues for a historical understanding of these contemporary examples which is rooted in the social policies of the Reagan Bush era the declining industrial base of urban communities and the increasing significance of the drug trade and gang culture In addition the book follows the evolution of gangster culture in twentieth century American popular culture and the shift from ethnicity to race that slowly begins to emerge over this time period Contrary to mainstream conservative sentiment Am I Black Enough for You suggests that the criticism of gangsta culture is a misguided attempt which reaffirms traditional views about Black culture This criticism is articulated across race so that in many cases African Americans articulate the same sentiments as their white conservative counterparts Am I Black Enough for You offers astute analysis of the liberating possibilities of representation that lie at the core of contemporary black popular culture

The Black Culture Industry Ellis Cashmore, 2006-06-07 Cashmore s controversial study argues that black culture has been converted into a commodity usually in the interests of white owned corporations Using detailed studies of the marketing of Motown Michael Jackson and the Artist Formerly Known as Prince Cashmore suggests that inflating the significance of this commodified black culture may actually be counter productive in the struggle for racial justice

Invisible Politics Hanes Walton, 1985-01-01 With a view that behavioralism has distorted perceptions of black political activity Hanes Walton Jr here reformulates the assumptions of behavioralism to arrive at a more realistic

understanding of the political actions of black Americans Considering the cultural and historical events that have shaped black lives Walton examines voting patterns socialization and the development of political opinion his analysis of leadership includes not only legislative and judicial leaders but also leaders of those organizations so influential in black political culture civil rights churches and grassroots organizations Whether he looks at how local politics have changed through the years of civil rights action or how blacks ideas on foreign policy have developed Walton provides a long needed reassessment of the role of black participation in American politics

Encyclopedia of African-American Culture and History Jack Salzman, David L. Smith, Cornel West, 1996 Contains 2 200 entries that provide information about African American history arranged alphabetically and featuring a large number of biographies as well as information about places events historical eras legal cases cultural achievements professions and sports

Readings in African American Culture Angela Schwendiman, 2016-08-30 Readings in African American Culture Resistance Liberation and Identity from the 1600s to the 21st Century helps readers understand and appreciate the black experience through readings that illustrate the lives history and intersecting cultures of African Americans and the development of a unique African American identity Early chapters define African American culture and examine racism in America in relation to the existence of a dominant culture of white privilege Readers learn about the history of West Africa before imperialism the role of slavery in the suppression of the African culture the loss of African identity and the creation of racism in the making of America They study the acculturation of Africans and the post Civil War migration which led to a widespread cultural revolution They explore the origins of blues and jazz Black religious traditions the rise of Black nationalism and the role of Black literary artists in the quest for community and identity The book concludes with the civil rights movement and the on going struggle for African Americans to become fully realized within American society Rooted in an interdisciplinary approach Readings in African American Culture is appropriate for courses on Black culture and will be of interest in any course centered on the effects of race and culture on minority populations Angela Schwendiman is a faculty member at Eastern Washington University where she teaches courses in African American cinema family culture and social and intellectual thought She earned her master s degree in college instruction with an emphasis in electronic media and film and she continues to research and present lectures on topics related to the formation definition and redefinition of blackness culture identity and gender in film
