Auras and Colours - A Guide to Working with Subtle Energies Paul Lambillion, 2001-03-08 In this exhilarating exploration of auras and their uses Paul Lambillion provides a practical guide for people who want to learn how to discern auras and use this gift in a constructive way in order to become more effective people and better healers Some people are gifted with the ability to see auras the coloured energy and light fields we all have

around our physical bodies An aura reveals an individual's spiritual, mental, emotional, and physical state, their personality, gifts, aptitudes, and other personal characteristics. Even inanimate objects have auras, as do animals, flowers, trees, houses, communities, and cities. Paul Lambillion teaches people how to detect these auras and how to use this knowledge for healing, self-knowledge, love, and relationships. In this unique book, he presents a course in learning to understand our subtle bodies, which can bring a deep perception of the whole human being. It includes many useful exercises and meditations helping us to unfold our own vision of colours and auras. In addition, *Auras and Colours* gives much information on the meanings of the colours and how an understanding of them can bring harmony to our everyday lives.
