The Changing Frontier Adam B. Jaffe, Benjamin F. Jones, 2015-08-24 In 1945 Vannevar Bush founder of Raytheon and one time engineering dean at MIT delivered a report to the president of the United States that argued for the importance of public support for science and the importance of science for the future of the nation The report *Science The Endless Frontier* set America on a path toward strong and well funded institutions of science creating an intellectual architecture that still defines scientific endeavor today In *The Changing Frontier* Adam B. Jaffe and Benjamin Jones bring together a group of prominent scholars to consider the changes in science and innovation in the ensuing decades The contributors take on such topics as changes in the organization of scientific research the geography of innovation modes of entrepreneurship and the structure of research institutions and linkages between science and innovation An important analysis of where science stands today *The Changing Frontier* will be invaluable to practitioners and policy makers alike

The HIP Investor R. Paul Herman, 2010-03-09 A new breed of investing that combines making more money and making a difference First there were the Profiteers investors who sought to make money regardless of the cost to society Then came the Do Gooders investors who avoided bad companies and supported good ones based on philosophy over financials Now this book introduces a brand new breed of investor The HIP Investor Written for those who want to profit handsomely while also building a better world it will help you discover companies that are boosting the bottom line by solving key human needs through innovative products and services benefiting customers engaging employees and delivering sustainable profitable growth for their investors That's the Human Impact Profit or HIP approach In *The HIP Investor* R. Paul Herman creator of the HIP methodology introduces a revolutionary system that allows investors to profit and make a positive impact It values measurable results over policies and philosophies and shows how higher performing companies can deliver both human impact and profit for shareholders This book Provides a compelling easy to use investor tool kit so you can quickly HIP your portfolio Reveals the three questions you should ask when looking for a company to invest in Illustrates how world problems can be solved for profit by companies and investors making informed decisions You can make money while making a difference and *The HIP Investor* is here to show you how
