Anna Neagle Says Theres Always Tomorrow An Autobiography:

Anna Neagle Says "There's Always Tomorrow" Anna Neagle,1974 Anna Neagle Says "There's Always Tomorrow" Anna Neagle,1976 *Jane Austen and her Readers, 1786-1945* Katie Halsey,2013-10-15 Jane Austen and her Readers 1786 1945 is a study of the history of reading Jane Austen s novels It discusses Austen s own ideas about books and readers the uses she makes of her reading and the aspects of her style that are related to the ways in which she has been read The volume considers the role of editions and criticism in directing readers responses and presents and analyses a variety of source material related to the ordinary readers who read Austen s works between 1786 and 1945 **Ray Milland** James McKay,2020-02-21 With no formal training as an actor Welsh born Ray Milland 1907 1986 a former trooper in the British Army s Household Cavalry enjoyed a half century career working alongside some of the great directors and stars from the Golden Age of cinema He won the Academy Award for Best Actor for his performance as the alcoholic writer in *The Lost Weekend* 1945 a defining moment that enabled him to break free from romantic leads and explore darker shades of his debonair demeanor such as the veiled menace of his scheming husband in Hitchcock s *Dial M For Murder* 1954 A consummate professional with wide range Milland took the directorial reins in several of his starring vehicles in the 1950s most notably in the intelligent Western *A Man Alone* 1955 He comfortably slipped into most genres from romantic comedy to adventure to film noir Later he turned to science fiction and horror movies including two with cult filmmaker Roger Corman This first complete filmography covers the actor s screen career with a concise introductory biography and an appendix listing his extensive radio and television credits *The Films of Victor Mature* James McKay,2013-01-11 With his rugged features and earthy sex appeal Victor Mature ushered in a new breed of postwar Hollywood actor far removed from the debonair matinee idols of the 1930s Following success as an upbeat leading man in the early 1940s Fox musicals opposite the likes of Betty Grable and Rita Hayworth he went on deliver two of his most powerful performances in *My Darling Clementine* 1946 and *Kiss of Death* 1947 But it was in the biblical epics such as *Samson and Delilah* 1949 *The Robe* 1953 and *Demetrius and the Gladiators* 1954 that his heartfelt acting and statuesque larger than life screen presence finally secured his place as a Hollywood icon Beginning with a concise biography this work covers Mature s film career in its entirety featuring synopses anecdotes from cast and crew and review commentary Behind enemy lines Juliette Pattinson,2021-07-08 *Behind enemy lines* is an examination of gender relations in wartime using the Special Operations Executive as a case study Drawing on personal testimonies in particular oral history and autobiography as well as official records and film it explores the extraordinary experiences of male and female agents who were recruited and trained by a British organisation and infiltrated into Nazi Occupied France to encourage sabotage and subversion during the Second World War With its original interpretation of a wealth of primary sources it examines how these ordinary law abiding civilians were transformed into paramilitary secret agents equipped with silent killing techniques and trained in unarmed combat This fascinating timely and

engaging book is concerned with the ways in which the SOE veterans reconstruct their wartime experiences of recruitment training clandestine work and for some their captivity focusing specifically upon the significance of gender and their attempts to pass as French civilians This examination of the agents of an officially sponsored insurgent organisation makes a major contribution to British socio cultural history war studies and gender studies and will appeal to both the general reader as well as to those in the academic community

The Musical William Everett,2011-06-02 The musical whether on stage or screen is undoubtedly one of the most recognizable musical genres yet one of the most perplexing What are its defining features How does it negotiate multiple socio cultural economic spaces Is it a popular tradition Is it a commercial enterprise Is it a sophisticated cultural product and signifier This research guide includes more than 1 400 annotated entries related to the genre as it appears on stage and screen It includes reference works monographs articles anthologies and websites related to the musical Separate sections are devoted to sub genres such as operetta and megamusical non English language musical genres in the U S traditions outside the U S individual shows creators performers and performance The second edition reflects the notable increase in musical theater scholarship since 2000 In addition to printed materials it includes multimedia and electronic resources

Destination London Tim Bergfelder,Christian Cargnelli,2008 The legacy of emigr s in the British film industry from the silent film era until after the Second World War has been largely neglected in the scholarly literature *Destination London* is the first book to redress this imbalance Focusing on areas such as exile genre technological transfer professional training and education cross cultural exchange and representation it begins by mapping the reasons for this neglect before examining the contributions made to British cinema by emigr directors actors screenwriters cinematographers set designers and composers It goes on to assess the cultural and economic contexts of transnational industry collaborations in the 1920s artistic cosmopolitanism in the 1930s and anti Nazi propaganda in the 1940s

Royal Portraits in Hollywood Elizabeth A. Ford,Deborah C. Mitchell,2009-06-26 Few lives provide as much history or drama as those of monarchs Filmmakers from the silent era to onward have displayed a deep fascination with the lives of royalty and with queens in particular Still the question remains what do these films really tell us about the women beneath the crowns Drawing on films from the 1930s to those of today *Royal Portraits in Hollywood* Filming the Lives of Queens investigates the ways in which these films reproduce history and represent women Though hardly progressive in nature many early films offered an acceptable nonthreatening way to present strong female characters in an economic and social landscape run almost exclusively by men Authors Elizabeth Ford and Deborah Mitchell track the evolution of queens on film noting how depictions of prominent women have changed over the past several decades and calling attention to the ways in which films both reflect and dictate the social norms of their eras By comparing historical records of monarchs such as Queen Christina of Sweden Catherine the Great Cleopatra and Elizabeth I with their onscreen personas and examining the biographical details of the actresses who portrayed these women Ford and Mitchell present a fascinating inquiry into issues

of historical accuracy and gender politics in film "*Your Loving Son*" George McCowan King, University of Regina. Canadian Plains Research Center, 2002 This book is a compilation of various sources that form a coherent narrative that leads up to documents and explores the repercussions of the death of George McCowan King a navigator in the Royal Canadian Air Force who was shot down over Germany on September 22 1943 Focussing on the period from late 1942 to the end of the war but extending even into the 1990s the voices that combine to tell the story of the navigator s life and death include his letters the letters of other family members correspondence with families of other servicemen friends diary logbook entries and official government missives concerning the circumstances of the death and the naming of King Creek in northern Saskatchewan
