The Oxford Handbook of Applied Linguistics Robert B. Kaplan, 2010-09-30 A monumental editorial enterprise It is to be commended and used widely and wisely ESL Magazine

Ambiguities and Tensions in English Language Teaching Peter Sayer, 2012-05-31 The central theme of this book is the ambiguities and tensions teachers face as they attempt to position themselves in ways that legitimize them as language teachers and as English speakers Focusing on three EFL teachers and their schools in the southern Mexican state of Oaxaca it documents how ordinary practices of language educators are shaped by their social context and examines the roles identities and ideologies that teachers create in order to

navigate and negotiate their specific context It is unique in bringing together several current theoretical and methodological developments in TESOL and applied linguistics the performance of language ideologies and identities critical TESOL pedagogy and research and ethnographic methods in research on language learning and teaching Balancing and blending descriptive reporting of the teachers and their contexts with a theoretical discussion which connects their local concerns and practices to broader issues in TESOL in international contexts it allows readers to appreciate the subtle complexities that give rise to the tensions and ambiguities in EFL teachers professional lives Pragmatics and Corpus Linguistics Jesús Romero-Trillo, 2008-11-03 The recent history of linguistics has witnessed the development of some disciplines that were conceived apart but benefited from common intuitions One example of this phenomenon is the relationship established throughout time between pragmatics and corpus linguistics Although their arrival heralded the application of two paradigms based on distant theoretical principles they always showed an interest in their mutual advances and their practical reconciliation gave birth to an intellectual synergy that proved very fruitful The present volume is an homage to the symbiosis of pragmatics and corpus linguistics and gathers the works of some of the scholars that have striven to create the liaison between them for a better understanding of language
