Visions and Revisions of Europe Karolina Czerska-Shaw,Marcin Galent,Bożena Gierat-Bieroń,2018 Visions and Revisions of Europe offers a multidisciplinary debate on the various political social and cultural issues that are at the heart of contemporary European discourse with a focus on the relations between the so called New and Old Europe A range of possible scenarios for the future of the EU as well as a discussion of the factors affecting current crises are at the forefront of the debate which lead the reader to reflect upon often overlooked aspects of European integration such as Germany s hegemonic role in the Union or historical narratives and myths that need to be deconstructed and critically analysed Contemporary populist movements also play a key role as do the often difficult processes of migration and EU mobility which reveal the tensions fears and lines of exclusion in contemporary European societies Finally the role of values namely an adherence to human rights and responsibility over the global social order which in the 1970s was a cornerstone of EU discursive action and identity building serves as a lasting point of reflection on the uncertain future of the EU s axio normative direction s

Redefining Sustainability Jacinta Dsilva,2025-11-02 The second volume of the book Proceedings of International Conference on Net Zero Solutions and Circular Economy shifts focus to the human and technological elements of sustainability examining the roles of leadership social impact circular economy principles and education Sustainable leadership is key in directing the systemic changes needed for a low carbon equitable future The volume further explores how visionary leaders can foster sustainability in organizations and communities It also dives deep into the circular economy a transformative concept aimed at minimizing waste and making full use of resources presenting strategies for transitioning from linear to circular models in various industries In addition to leadership and economic models this volume emphasizes the critical role of education in embedding

sustainability into the next generation's mindset while highlighting how technology acts as a powerful enabler of these solutions. Smart cities, digital innovation, and clean technology are explored as tools that can advance the sustainability agenda, providing new approaches to energy, mobility, and resource management. Similar to volume I, there are practical discussions, case studies, and recommendations from academia, business, and other stakeholders.

Cross-Cultural Perspectives on Luxury Marketing Tarnanidis, Theodore K., 2024-10-04. As luxury brands become commonplace businesses, they must incorporate more sustainable practices to handle the brands' continuous growth. To achieve short-term financial goals, luxury brands employ mass marketing techniques that result in the creation of mass prestige brands. Sustainable luxury marketing through a cross-cultural perspective requires tailored marketing strategies for luxury brands that emphasize the exclusivity and high quality of their products while integrating eco-friendly practices. Such marketing plans may also resonate with diverse cultural values across business sectors. *Cross-Cultural Perspectives on Luxury Marketing* explores ongoing trends in sustainable luxury marketing using cross-cultural viewpoints. It examines the usage of immersive technologies by luxury brands and their impact on consumer relationships. This book covers topics such as consumer behavior, luxury fashion, and data analysis and is a useful resource for consultants, policymakers, economists, business owners, sociologists, academicians, scientists, and researchers.
