

A Holistic Guide To An Effective Hybrid Workplace

Ebook Hybrid Work

Joacim Rocklöv

Ebook Hybrid Work:

Out of Office Charlie Warzel, Anne Helen Petersen, 2021-12-07 This book will challenge you to rethink what it takes to make remote work work not just for companies but for people Adam Grant 1 New York Times bestselling author of Think Again and host of the TED podcast WorkLife The future isn't about where we will work but how For years we have struggled to balance work and life with most of us feeling overwhelmed and burned out because our relationship to work is broken This isn't just a book about remote work It's a book that helps us imagine a future where our lives at the office and home are happier more productive and genuinely meaningful Charles Duhigg best selling author of The Power of Habit Out of Office is a book for every office worker from employees to managers currently facing the decision about whether and how to return to the office The past two years have shown us that there may be a new path forward one that doesn't involve hellish daily commutes and the demands of jam packed work schedules that no longer make sense But how can we realize that future in a way that benefits workers and companies alike Based on groundbreaking reporting and interviews with workers and managers around the world Out of Office illuminates the key values and questions that should be driving this conversation trust fairness flexibility inclusive workplaces equity and work life balance Above all they argue that companies need to listen to their employees and that this will promote rather than impede productivity and profitability As a society we have talked for decades about flexible work arrangements this book makes clear that we are at an inflection point where this is actually possible for many employees and their companies Out of Office is about so much more than zoom meetings and hybrid schedules it aims to reshape our entire relationship to the office

HR for Hybrid Working Gary Cookson, 2022-06-03

Many employees are looking for a mix of remote and office working How can HR professionals adapt policies and practices to ensure hybrid working is effective for the workforce and the business HR for Hybrid Working covers everything that people professionals need to succeed in a hybrid working model and manage the transition to this new way of working It shows why and how contractual documents policies pay and reward terms need to change how to manage changing employee expectations and how to assess and communicate to staff what work can be done partially remotely and manage the impact on company culture There is also insight on how to adapt learning and development L D and wellbeing activities to ensure they support employee development Alongside expert guidance on how to assess what technology solutions are right for the business HR for Hybrid Working explains how to manage inductions and exits from the organization when the location of employees is changeable Packed full of advice examples and case studies this book also provides a dedicated section on the new skills needed by HR professionals as organizational roles structures and processes change in a hybrid working model

Making Hybrid Working Work Gary Cookson, 2025-01-03 Hybrid work is here to stay but we haven't got it right yet To be truly effective hybrid working must form part of the overall business strategy and work organizational structures and teams must be designed with hybrid in mind Making Hybrid Working Work is a practical book for senior business practitioners and

people professionals wanting to ensure that hybrid working works for their people and their business With guidance on leading managing and developing hybrid workers this book will help you embed hybrid working into your organization design This book explores what hybrid means for your office real estate how to choose the right technology for hybrid working and how to ensure you re only investing in automating the correct things It discusses how to use data to take an evidence based approach to solving problems in a hybrid organization and how you can support learning for hybrid workers build a learning culture and prioritize performance not location With coverage of managing the hybrid employee experience with a focus on company culture this book also includes the latest research interviews with those who have experienced the benefits and challenges of this way of working and real world examples from companies including Centrica what3words and EMIS Health Discover how to be deliberate about hybrid ways of working and not leave success to chance with this essential guide
