Index to Book Reviews in Religion ,1999 **Discovering God's Design** Amanda Walker,2015-11-24 Discovering Gods Design answers the call for a resource that any woman can use to help her reexamine her view of womanhood according to Scripture Walker leads us as women on a journey to embrace the wonderful truth that being called woman according to Gods design is an essential aspect of our identity Dr Terri Stovall PhD Dean of Womens Programs and Associate Professor of Womens Ministries at Southwestern Baptist Theological Seminary Discovering Gods Design is a six week Bible study for women of all ages In a world where feminism and political correctness have threatened to undermine Gods design for a woman her family and her ministry Discovering Gods Design provides biblical guidelines on how to live out the unique calling God has placed on each womans life Beginning in Genesis you will explore how God crafted Adam and Eve to be His image bearers in the world God in His infinite wisdom created men and women to complement each other He designed Adam to be the leader provider and protector of Eve and He designed Eve to be Adams helpmate However with the introduction of sin in Genesis 3 man and woman have continued to struggle in their relationships with each other and the world But there is good news God provided an answer to the constant tension by offering us salvation through Jesus Christ Jesuss death burial and resurrection did not remove the God given gender distinctions Instead it restored them Women are now free to discover what it means to be an image bearer how He has gifted each woman for a specific task and then provided an opportunity within the boundaries of scripture to accomplish the task set before them If you have wondered what it means to be a biblical woman then look no further Discovering Gods Design is for you *What the Bible Says about the Dangers of Self-Deception* Joseph K. Pak,2024-10-17 How do people know if they are deceiving themselves Self deception is something everyone practices to one degree or another and it is closely related to other deception deceiving other people and Satan s deception

as the father of lies John 8 44 How dangerous is self deception It can cost people their eternal destiny if they are deceiving themselves about their salvation Self deception has been a topic of keen interest among philosophers theologians and psychologists and is also a significant theme in the Bible This book first introduces what the fields of philosophy theology and psychology say about self deception and then examines many Bible passages that address the topic of self deception to gain a biblical understanding of what it is and how to prevent it The Joseph Paradox Hillel I. Millgram, 2014-01-10 This book is a reader friendly treatment of the Joseph story one of the most popular tales in the Bible Instead of the usual interpretation as an Horatio Alger success story the text proposes that we are presented with a cautionary tale of high achievement and the pursuit of success In the context of the larger biblical narrative Joseph s short term success leads to the enslavement of his descendants and the centuries long derailment of the destiny of the Children of Israel The self limiting nature of the pursuit of power is just one of the themes illuminated in this work
