

Broken Hearted Poems for Him

By Maya Anthony

Whispers of Goodbye

In the hush of our last night,
Underneath the moon's soft light,
Our hearts spoke a silent plea,
In whispers of goodbye, we set love free.

Tears fell like silent rain,
Echoing our silent pain,
In every teardrop, our story told,
A tale of love, now growing cold.

In the quiet, we found our end,
No more lover, not even friend,
Our whispers fading into the night,
In goodbye's silence, we take flight.

Broken Hearted Poems R E D S Broken Heart, Ramonito Dimaculangan, Broken Heart R E D 's, 2004-10-01 The fact that I neglected myself all my life became apparent to me when I met someone who I finally cared about with all my heart I was not ready to meet her because I still hadn't found who I truly was I was lost I hated my job my finances my life and myself She on the other hand had found herself early in life She was an outgoing beautiful smart funny genuinely nice person I can't fault her for not returning my feelings because she knew that it would take time for me to get over my past My past made me sad and I loved her so much that I shared all that I was with her Unfortunately I may have shared too much because I eventually scared her away I tried to get too close too fast when she wasn't ready It was my fault This is my pain that I have to carry around with me This book is the result of my pain She inspired me to write like I've never written before All the feelings that were there for her are in this book I am so blessed to have met her because through my pain I learned many things I learned that I could love unconditionally I loved her so much that I shared all that I was and how I felt at the risk of losing her I learned to have patience I learned that time heals all wounds Most of all I learned to take care of myself first so I can take care of others later The only way that I can have someone in my life is if I can confidently say that I am happy with myself and who I am For this I thank her from the bottom of my heart This book is the end of my sorrow It is my closure It is the beginning of the rest of my life

Poems of the Brokenhearted Hseham Amrahs, 2024-01-10 The thematic range of the collection is expansive covering the various stages of heartbreak from the initial shock to the gradual emergence of strength and resilience Some poems delve into the nostalgia of what once was exploring the remnants of love that linger in memory Others navigate the storm of emotions that accompany the aftermath unraveling the threads of attachment and laying bare the vulnerabilities of the human heart Despite the prevailing melancholy there is an undercurrent of hope that runs through the collection The poems are not only a testament to the pain of love lost but also a celebration of the indomitable spirit that emerges from the ashes of heartbreak They speak to the resilience of the human heart emphasizing that even in the throes of despair there is a transformative journey towards self discovery and renewal The organization of the collection is deliberate creating a narrative arc that mirrors the emotional trajectory of heartbreak The poems are often grouped thematically guiding readers through the labyrinth of emotions with a sense of coherence This organization enhances the overall reading experience creating a flow that mirrors the ebb and flow of the emotional tide

Songs of A Broken Heart Jaibala Rao, 2019-08-03 We all are heart broken sometimes and in such moments of heart break we begin to wonder is all heartbreak same What about the strengths and weaknesses the questions the feelings and the emotions that a heartbreak can bring Haven't you wondered what language the heart uses to convey all this Does it drab on monotone Or does it cry out its pain Maybe it talks to us like we talk to each other or maybe it sings It sings songs of pain heartbreak and loss and songs of strength joy and happiness What songs do you think the heart sings Read on to find out
