Buber On God And The Perfect Man

Rabbi Mike Comins

Buber On God And The Perfect Man:

Buber on God and the Perfect Man Pamela Vermes, 1994 Abounds in deep insights into human nature a notable contribution towards a contemporary spirituality John Macquarrie New Blackfriars **The Cambridge Companion to Modern Jewish Philosophy** Michael L. Morgan, Peter Eli Gordon, 2007-06-04 Modern Jewish philosophy emerged in the seventeenth century with the impact of the new science and modern philosophy on thinkers who were reflecting upon the nature of Judaism and Jewish life This collection of essays examines the work of several of the most important of these figures from the seventeenth to the late twentieth centuries and addresses themes central to the tradition of modern Jewish philosophy language and revelation autonomy and authority the problem of evil messianism the influence of Kant and feminism Included are essays on Spinoza Mendelssohn Cohen Buber Rosenzweig Fackenheim Soloveitchik Strauss and Levinas Other thinkers discussed include Maimon Benjamin Derrida Scholem and Arendt The sixteen original essays are written by a world renowned group of scholars especially for this volume and give a broad and rich picture of the tradition of modern Jewish philosophy over a period of four centuries **An Introduction to Judaism** Nicholas de Lange, 2000-02-17 This book is intended for students of religion and others who seek an introduction to Judaism *Martin Buber's I and Thou* Kenneth Kramer, 2003 Martin Buber's classic philosophy of dialogue I and Thou is at the core of Kenneth Paul Kramer's scholarly and impressive *Living Dialogue Practicing Buber's I and Thou* In three main parts paralleling the three of I and Thou and focusing upon Buber's key concepts nature spirit becoming forms true community the real I the eternal Thou turning and the two fundamental dialogues the I Thou and the I It the book clarifies puts into practice and vigorously affirms the moral validity of Buber's philosophy with its extension to love marriage the family the community and God in the conviction that genuine dialogue will effect better relations with one another the world and God Well researched and replete with a glossary of Buberian terms practice exercises for true dialoguing and discussion questions *Living Dialogue* emerges as an invaluable guide to I and Thou Highlights A lens through which to see and understand the philosopher and his work anew A must read for undergraduates as well as relationship counselors therapists and general readers who will benefit from the work's clarity and ease of expression Includes a foreword by Maur **Jewish Religious and Philosophical Ethics** Curtis Hutt, Halla Kim, Berel Lerner, 2017-10-16 Twentieth century continental thinkers such as Bergson Levinas and Jonas have brought fresh and renewed attentions to Jewish ethics yet it still remains fairly low profile in the Anglophone academic world This collection of critical essays brings together the work of established and up and coming scholars from Israel the United States and around the world on the topic of Jewish religious and philosophical ethics The chapters are broken into three main sections Rabbis Philosophy and Contemporary Challenges The authors address using a variety of research strategies the work of both major and lesser known figures in historical Jewish religious and philosophical traditions The book discusses a wide variety of topics related to Jewish ethics including ethics and the Mishnah Afro Jewish ethics Jewish historiographical

ethics as well as the conceptual philosophical foundations of the law and virtues in the work of Martin Buber Hermann Cohen and Baruch Spinoza The volume closes with four contributions on present day frontiers in Jewish ethics As the first book to focus on the nature scope and ramifications of the Jewish ethics at work in religious and philosophical contexts this book will be of great interest to anyone studying Jewish Studies Philosophy and Religion **Nietzsche, Soloveitchik, and**

Contemporary Jewish Philosophy Daniel Rynhold, Michael J. Harris, 2018-06-28 What does one do as a Jewish philosopher if one is convinced by much of the Nietzschean critique of religion Is there a contemporary Jewish philosophical theology that can convince in a post metaphysical age The argument of this book is that Rabbi Joseph Soloveitchik 1903 1993 the leading twentieth century exponent of Modern Orthodoxy presents an interpretation of halakhic Judaism grounded in traditional sources that brings a life affirming Nietzschean sensibility to the religious life Soloveitchik develops a form of Judaism replete with key Nietzschean ideas which parries Nietzsche's critique by partially absorbing it This original study of Soloveitchik's philosophy highlights his unique contribution to Jewish thought for students and scholars in Jewish studies while also revealing his wider significance for those working more broadly in fields such as philosophy and religious studies

Jewish Virtue Ethics Geoffrey D. Claussen, Alexander Green, Alan L. Mittleman, 2023-08-01 What is good character What are the traits of a good person How should virtues be cultivated How should vices be avoided The history of Jewish literature is filled with reflection on questions of character and virtue such as these reflecting a wide range of contexts and influences Beginning with the Bible and culminating with twenty first century feminism and environmentalism Jewish Virtue Ethics explores thirty five influential Jewish approaches to character and virtue Virtue ethics has been a burgeoning field of moral inquiry among academic philosophers in the postwar period Although Jewish ethics has also flourished as an academic and practical field attention to the role of virtue in Jewish thought has been underdeveloped This volume seeks to illuminate its centrality not only for readers primarily interested in Jewish ethics but also for readers who take other approaches to virtue ethics including within the Western virtue ethics tradition The original essays written for this volume provide valuable sources for philosophical reflection *A Wild Faith* Rabbi Mike Comins, 2011-04-04 Explore the connections between God

wilderness and Judaism This comprehensive how to guide to the theory and practice of Jewish wilderness spirituality unravels the mystery of Judaism's connection to the natural world and offers ways for you to enliven and deepen your spiritual life through wilderness experience Over forty practical exercises provide detailed instruction on spiritual practice in the natural world including Mindfulness exercises for the trail Meditative walking Four Winds wisdom from Jewish tradition Wilderness blessings Soul O Site solitude practice in wilderness Wilderness retreat For wilderness lovers and nature novices alike this inspiring and insightful book will lead you through experiences of awe and wonder in the natural world It will show you the depth and relevance of Judaism to your spiritual awareness in wilderness and teach you new ways to energize your relationship with God and prayer *Situating Existentialism* Jonathan Judaken, Robert Bernasconi, 2012 This anthology

provides a history of the systemization and canonization of existentialism a quintessentially antisystemic mode of thought Situating existentialism within the history of ideas it features new readings on the most influential works in the existential canon exploring their formative contexts and the cultural dialogues of which they were a part Emphasizing the multidisciplinary and global nature of existential arguments the chosen texts relate to philosophy religion literature theater and culture and reflect European Russian Latin American African and American strains of thought Readings are grouped into three thematic categories national contexts existentialism and religion and transcultural migrations that explore the reception of existentialism The volume explains how literary giants such as Dostoevsky and Tolstoy were incorporated into the existentialist fold and how inclusion into the canon recast the work of Kierkegaard and Nietzsche and it describes the roles played by Jaspers and Heidegger in Germany and the Paris School of existentialism in France Essays address not only frequently assigned works but also underappreciated discoveries underscoring their vital relevance to contemporary critical debate Designed to speak to a new generation's concerns the collection deploys a diverse range of voices to interrogate the fundamental questions of the human condition

The Jews as a Chosen People S. Leyla Gurkan, 2008-12-05 The concept of the Jews as a chosen people is a key element of the Jewish faith and identity This book explores the idea of chosenness from the ancient world through modernity and into the Post Holocaust era Analysing a vast corpus of biblical ancient rabbinic and modern Jewish literature the author seeks to give a better understanding of this central doctrine of the Jewish religion She shows that although the idea of chosenness has been central to Judaism and Jewish self definition it has not been carried to the present day in the same form Instead it has gone through constant change depending on who is employing it against what sort of background and for what purpose Surveying the different and sometimes conflicting interpretations of the doctrine of chosenness that appear in Ancient Modern and Post Holocaust periods the dominant themes of Holiness Mission and Survival are identified in each respective period The theological philosophical and sociological dimensions of the question of Jewish chosenness are thus examined in their historical context as responses to the challenges of Christianity Modernity and the Holocaust in particular This book will be of interest to scholars and students of Jewish Studies the Holocaust religion and theology
