Budd Schulberg:

Budd Schulberg Nicholas Beck, 2001 This is the first overview of Schulberg's career 1937-2000 his own autobiography *Moving Pictures* covers his life only to age 17 For more than six decades Budd Wilson Schulberg has known success in virtually every category of American writing Raised in the Hollywood of the 1920s as the privileged son of a pioneer studio mogul Schulberg achieved fame as novelist short story writer playwright Oscar winning screenwriter and boxing historian He also became a central figure in the entertainment industry's political turmoil of the 1940s and 50s fleeing first from the Communist Party's attempts to control his writing then testifying as a cooperating witness before the House Committee on Un-American Activities and finally emerging as a leader of the nation's non-Communist Left Schulberg chronicled these events in the country's leading newspapers and intellectual journals He has also known and written about many other American writers and their difficulties in maintaining or recapturing early success Scott Fitzgerald Ernest Hemingway Nathanael West William Saroyan John Steinbeck William Faulkner John O'Hara Irwin Shaw and many other distinguished novelists and playwrights who were doing studio work The Harder They Fall Budd Schulberg, 2012-07-31 The quintessential novel of boxing and corruption USA Today Toro Molina certainly looks the part He's built like the Minotaur but few would guess at the fear consuming the Argentine farmer and former circus performer after he's brought to the United States to be the next heavyweight champion of the world The problem is that Molina can't box at all But monstrous fight promoter Nick Latka fixes every fight on the way to the championship and builds Toro's renown with the help of cynical sports journalist Ed Lewis and a host of lackeys First published in 1947 *The Harder They Fall* stands as a powerful exposé of professional boxing by one of the sport's true poet laureates This ebook features an illustrated biography of Budd Schulberg including rare images and never before seen documents from the author's estate Budd Schulberg Papers Budd Schulberg, 1913-2009 screenwriter and novelist The papers document his career as an author and screenwriter and include drafts of many of his works such as *On the Waterfront* *What Makes Sammy Run* *The Harder They Fall* and *The Disenchanted* In addition to Schulberg's writings is correspondence with family friends and colleagues dating from the 1920s *Waterfront* Budd Schulberg, 1974 **Writers in America** Budd Schulberg, 2012-07-31 *DIV* Stories of twentieth century American literary giants by the man who was their friend peer and confidant *DIV* When he was introduced to F. Scott Fitzgerald as a potential partner on a screenplay novelist and scriptwriter Budd Schulberg was surprised the author was still alive In Schulberg's view the pressures of success and the public's merciless judgment had destroyed Fitzgerald's talent early in his career a situation that is arguably typical for many of America's great literary geniuses In *Writers in America* Schulberg shares memories and insights from his relationships with authors such as Fitzgerald John Steinbeck Nathanael West and Sinclair Lewis as well as brilliant writers who never attained the success and recognition they deserved such as Thomas Heggen *DIV* *DIV* This ebook features an illustrated biography of Budd

Schulberg including rare images and never before seen documents from the author's estate div *On the Irish Waterfront* James T. Fisher, 2011-01-15 Site of the world's busiest and most lucrative harbor throughout the first half of the twentieth century the Port of New York was also the historic preserve of Irish American gangsters politicians longshoremen's union leaders and powerful Roman Catholic pastors This is the demimonde depicted to stunning effect in Elia Kazan's *On the Waterfront* 1954 and into which James T Fisher takes readers in this remarkable and engaging historical account of the classic film's backstory Fisher introduces readers to the real Father Pete Barry featured in *On the Waterfront* John M Pete Corridan a crusading priest committed to winning union democracy and social justice for the port's dockworkers and their families A Jesuit labor school instructor not a parish priest Corridan was on but not of Manhattan's West Side Irish waterfront His ferocious advocacy was resisted by the very men he sought to rescue from the violence and criminality that rendered the port a jungle an outlaw frontier in the words of investigative reporter Malcolm Johnson Driven off the waterfront Corridan forged creative and spiritual alliances with men like Johnson and Budd Schulberg the screenwriter who worked with Corridan for five years to turn Johnson's Pulitzer Prize winning 1948 newspaper expos into a movie Fisher's detailed account of the waterfront priest's central role in the film's creation challenges standard views of the film as a post facto justification for Kazan and Schulberg's testimony as ex communists before the House Committee on Un American Activities *On the Irish Waterfront* is also a detailed social history of the New York New Jersey waterfront from the rise of Irish American entrepreneurs and political bosses during the World War I era to the mid 1950s when the emergence of a revolutionary new mode of cargo shipping signaled a radical reorganization of the port This book explores the conflicts experienced and accommodations made by an insular Irish Catholic community forced to adapt its economic political and religious lives to powerful forces of change both local and global in scope *Budd Schulberg* Budd Schulberg, 1977
